

APPLICATION FORM FOR A LARGER REFUSE WHEELED BIN

Thank you for your recent enquiry regarding a larger wheeled bin for your property. A larger, brown-wheeled bin will be considered for households that have **six or more people permanently** living at the address and/or residents with specific medical conditions who require additional waste storage.

Please use your recycling containers to recycle materials. The more waste you recycle the less will have to be land filled.

Once your application form has been returned it will be reviewed by a Waste Management Officer who will approve or decline the request.

You will be notified of the decision within 7 working days of the Council receiving the request.

If approved, a larger wheeled bin will be delivered and the smaller bin removed. Please be aware that a Waste Management Audit may be carried out every 6 months to ensure the bin is not being used for recycling materials and that the criteria are still being met.

Name	
Address	
Postcode
