Mr Stephen Wragg

Sent by Email:

Dear Mr Wragg,

Petition: Cycling in Verulamium Park

Thank you for attending the Council meeting on 20 July 2011 and for presenting your petition and speaking to Council in support of it. Please also pass on my thanks on behalf of the Council to your colleagues from the St Albans Cycle Campaign who made the time to accompany you.

I confirm that following the presentation of your petition to the Mayor, it was debated by Councillors who resolved as follows:

“This Council notes the need to support sustainable transport in the City and District of St Albans.

Therefore this Council endorses the principle of working in partnership with Herts County Council to provide East/West and North/South cycle routes in Verulamium Park, subject to appropriate consultation with residents and taking into account the safety of all the Park’s users.”

Yours sincerely

Jill Durham
Democratic Services Manager
