Dear Ms Sansom

Petition for Tree Planting in Verulamium Park

Following your presentation of the petition at the Council meeting on 24 November 2010 I confirm that the Council decided as follows:

“That Council thanks the Friends of Verulamium Park for their petition about the planting of new trees in Verulamium Park.

That, in taking forward a planting programme for new trees in Verulamium Park, the Head of Culture and Community Development be instructed to liaise with the Friends of Verulamium Park about the planting of new trees in the light of the views of English Heritage, public sponsorship of trees, and community involvement in the archaeological investigations required by English Heritage.”

I understand the Head of Culture and Community Development, Richard Shwe is liaising with you on progress.

Yours sincerely

Jill Durham
Democratic Services Manager
