

## **Useful supporting information – application for prior notification of proposed development in respect of permitted development by electronic communications code operators**

### **NATIONAL REQUIREMENTS**

- A completed form or written description of the proposed development and elevations and site layout details
- A plan indicating the proposed location at a scale of 1:1250 or 1:2500 showing two named roads. A larger scale plan may be needed in rural areas
- The appropriate fee
  - Evidence that the developer has given notice of the proposed development in accordance with A.3(1) of Part 24 of Schedule 2 to the General Permitted Development Order 1995
  - Where the proposed development consists of the installation of a mast within three kilometres of the perimeter of an aerodrome evidence that the developer has notified the Civil Aviation Authority, the Secretary of State for Defence or the Aerodrome operator in accordance with A.3(2) of Part 24 of Schedule 2 to the General Permitted Development Order 1995

## LOCAL REQUIREMENTS

may include some or all of the following:

- Acoustic report where relevant
- Any other relevant additional information
- Area of search
- Details of alternative sites rejected with a justification for rejecting them: This should include existing masts, structures and other buildings within the search area
- Explanation if no alternatives considered
- Map showing the relationship of the application site to schools and other telecommunication equipment in the vicinity
- Planning Statement
- Signed declaration that the equipment and installation fully complies with the ICNIRP requirements
- Statement of community involvement
- Supplementary Information Template (as set out in Annex F of the Code of Best Practice on Mobile Phone Network Development)
- Technical information including the frequency, modulation characteristics, power output and the height of the proposed antenna
- Technical justification — details about the purpose of the site and why the particular development is required
- Visual impact assessment where relevant
