

Overview and Scrutiny Work Programme 2009 / 2010

(last update Mar 2010)

- This document presents an outline of the proposed Overview and Scrutiny work programmes for 2009 / 2010.
- Work programmes have been developed through consultation with Committee Members, Chairs, Vice Chairs and Members.
- They have been planned with reference to the main work of the Council (including consideration of the Cabinet forward plan) and residents' priorities.
- This document shows the main items of work which are liable to change. More detailed forward plans can be found on the agendas for the Overview and Scrutiny Committee meetings

<http://stalbans.moderngov.co.uk/ieDocHome.aspx?bcr=1>

- The Committees receive regular information on the Council's performance and complaints / compliments
- The Committees also form Task and Finish groups which look at specific subjects in more detail and report their findings to the main Committee.
