Regulation 4 of the Town and Country Planning (Enforcement Notices and Appeals) Regulations 2002

The Council consider it expedient to issue the attached Enforcement Notice under Section 172 of the Town and Country Planning Act 1990 (as amended by the Planning and Compensation Act 1991) for the following reasons:-

- (1) The site is within the Metropolitan Green Belt in the Hertfordshire County Structure Plan and St Albans District Local Plan Review 1994, wherein permission will only be given for the erection of new buildings or the use of existing buildings or land for agricultural, other essential purposes appropriate to a rural setting, or small scale facilities for participatory sport or recreation.
- (2) The works that have been carried out at St Stephens Farm represent unacceptable, inappropriate development within the Metropolitan Green Belt and to the integrity of the Agricultural Building. The unauthorised building works conflict with the visual amenities and the openness of the Green Belt, and the purposes of including land in it. Contrary to Policy 1 of the St Albans District Local Plan Review 1994.
