Management Structure

Management Structure

The officers' management structure as shown below is a flat structure with two officers assigned to deputise for the Chief Executive, i.e. the Deputy Chief Executive (Finance and Legal) (Mondays – Thursdays) and the **Deputy Chief Executive (Commercial & Development)** (Fridays only). They and the other Heads of Service report directly to the Chief Executive. The following diagram presents the current structure; no hierarchy should be implied from the position of the various reporting posts.
