

# PLEASE HELP SHAPE OUR LOCAL PLAN

## The population is growing. Where will people live? Where will they work?

Your Council is writing a new Local Plan for the District. It will show what can be built, and where, up to 2036.

With you, we need to make some important decisions. Where should new building be located? What sort of homes do we need? How can we support business growth? What about infrastructure such as transport, schools and green spaces?

We need your views to help us make the right decisions.

Our six week consultation runs until Wednesday 21 February.

We are running lots of public exhibitions, and delivering booklets to local homes too. To see our video and take part in the online consultation, please go to: [www.stalbans.gov.uk/localplan2018](http://www.stalbans.gov.uk/localplan2018).
