Block A - Sycamore cut back and lift.

Address: 41 Millers Rise St Albans Hertfordshire AL1 1QW

Applicant: Jen Asciana 41 Millers Rise St Albans Hertfordshire AL1 1QW
Agent: Lisa Whyman Gristwood and Toms Harris Lane Shenley WD7 9EG

Reference: TP/2019/0423 CA  Ward: Clarence

Received: 16/09/2019

Proposal: Crown reduction by 25% (leaving both trees approx 6m across and 15m high) of the two silver birch trees in our rear garden (the only mature Silver Birch trees).
Reasons - Neither have been trimmed for more than 5 years and they have irregular shapes (see photos). We’d like more light in our garden. Both have low hanging branches, obstructing paths. Also: Tree 1 Has two branches growing together, applying downward pressure which may snap a large branch and causing sap bleeding in the spring (see photo). Tree 2 Has become overwhelmed on one side by a neighbor’s clematis, causing imbalance in growth. We’d like to remove the clematis (neighbor from Number 5 has consented) and trim to a more natural shape.

Address: 3 Blenheim Road St Albans Hertfordshire AL1 4NS

Applicant: Mr Christopher Mason 3 Blenheim Road St Albans Hertfordshire AL1 4NS
Agent: Mr Christopher Mason NA 3 BLENHEIM ROAD ST. ALBANS AL1 4NS

Received: 17/09/2019

Proposal: Fell Cherry due to shading, proximity to the house etc.
Wild Cherry, which we planted when we first moved to this property in 2006, not realising that the species is inappropriate for this location. Fell because the tree now causes excessive shading, is too close to the property and has an invasive root system that could damage both the property and adjoining footpath if not removed.
