

# Eid-ul Fitr In St Albans

We can't celebrate this auspicious day as we'd like, but that's no reason to let the occasion pass unmarked. With social distancing measures still in place we've come up with lots of ways to celebrate together, apart:

1.

Nominate a local hero, keyworker, family, friend and/or neighbour to receive an Eid cake for FREE. Please email [sopwellct@gmail.com](mailto:sopwellct@gmail.com) by 22nd May 2020 with your nominee. Deliveries will be made from 25th

2.

Download and print our specially designed Eid card from Sopwell Community Trust Facebook page and post to friends and family. Stay connected, let your friends and family know you're thinking of them this Eid.

3.

Once you've decorated your home with bunting, share your pictures on the Sopwell Community Trust Facebook page. Some streets are organising front-garden parties – a good way of celebrating while remaining socially distant! We'd love to see you post pictures of your street's party using #EidAtHome2020

4.

Log on to Sopwell Community Trust Facebook page to hear Eid Salaam greeting from Maulana Muhi, Eid greetings from Mayor Janet Smith and Daisy Cooper MP on Eid day.
