

Complaints Policy

Introduction

As a Council, we recognise that on occasions, we may get things wrong or not do something that a customer thinks we should have done.

We want to give our customers a fair, consistent, and structured process to get a remedy for failures in the delivery of our services.

We recognise the importance of customer feedback from complaints, compliments and comments. Using this feedback can help us to improve services for our customers and ultimately reduce the number of complaints we receive.

We define a complaint as:

'An expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the organisation, its own staff, or those acting on its behalf, affecting an individual resident or group of residents'

This policy should be reviewed in conjunction with the Council's Whistleblowing policy –

- On receipt of your complaint, our Complaints Team will assess to see if it can be resolved informally. We will always try to do this, as it gives you a quicker resolution
- If this is not possible, we will log your complaint at stage 1 of our formal process

The Council has a two-stage formal process:

Stage 1

1. You will be sent an acknowledgement of your complaint within 3 working days
2. You will be able to contact our Complaints Team for assistance, throughout the process
3. Your complaint will be dealt with by a manager who has direct responsibility for the department you are complaining about
4. Wherever possible, we will respond to you within 15 working days but if we are unable to do so, we will explain why and agree with you when a full response will be sent
5. If you are not satisfied that we have dealt with your complaint in full, you can ask us to review it further:

Stage 2

1. An acknowledgement will be sent to you within 3 working days
2. You will be able to contact our Complaints Team for assistance, throughout the process
3. Your complaint will be reviewed by the relevant senior manager of the department. A full response will be sent to you within 20 working days
4. If we cannot respond fully within that time, we will explain why and agree with you when a full response will be sent

We seek to resolve any complaints as quickly and easily as possible, working from informal, to stage 1 and then stage 2.

Next Steps

If after receiving the outcome of a stage 2 complaint you are still dis-satisfied with the outcome, you can refer your complaint to the Local Government & Social Care Ombudsman or Housing Ombudsman for review. You can contact the Council's Complaints Team for advice about this.

The Ombudsman services usually ask that you have exhausted the Council's complaints process before you contact them for assistance, but you can get in touch with them about your complaint at any stage:

www.lgo.org.uk

www.housing-ombudsman.org.uk

Complaint reports are produced for the Council's Senior Leadership Team on a quarterly basis. In addition, meetings are held within teams to discuss outcomes of complaints, service improvements and lessons learnt. A report is provided to the Council's Standards Committee on complaints and compliments annually in October.

Exceptions to the Policy

The Council will deal with complaints under its formal process, however, there are exceptions, which will not be dealt with under this policy:

- Some complaints may be about decisions that cannot be changed or can only be changed with democratic approval. If a complaint relates to a Council or Government policy, we will still record it, but it will not be progressed through our formal complaints process
- A complaint by an applicant or agent in relation to the refusal of planning permission or non-determination of a planning application for which there is a statutory appeals process
