Hackney Carriage and Private Hire Licensing Policy

The Department for Transport issued “Statutory Taxi and Private Hire Vehicle Standards” on 21 July 2020. As an authority that issues both hackney carriage and private hire licences St Albans Council “must have regard” to the document when exercising our functions and formulating policy.

Our Hackney Carriage and Private Hire Licensing Policy brings all our existing guidelines, standards, licensee requirements and information together in one place, as well as updating our approach as a result of changes to national guidance; the DFT Statutory Taxi & Private Hire Vehicle Standards.

At the Licensing & Regulatory Committee, it was agreed that the policy would be adopted. This came into effect the day after, on 26th January 2021. You can view the adopted at the link below;

<https://www.stalbans.gov.uk/taxi-licensing>

If you require a paper copy please email licensing@stalbands.gov.uk.

Conviction Policy for Hackney Carriage and Private Hire Trade

How we treat convictions and cautions when we consider granting, renewing, suspending or revoking a hackney carriage licence or private hire licence, or a vehicle operator or proprietor.

Convictions will not necessarily stop you getting or keeping a hackney carriage or private hire licence. If a conviction means you have to wait for a while before we will accept your licence application, we believe you are more likely to value your licence and act accordingly. However, we regard some offences as so serious they will usually prevent you getting or keeping a licence for ever.

Our policy is to consider the safety, protection and well-being of the public by ensuring all licensed drivers are safe, competent drivers who maintain their vehicles to an acceptable standard. Our main aim is to ensure public safety, not punish applicants or licence holders.

We want to keep up the high standard of hackney carriage and private hire drivers, operators and proprietors in St Albans. This will maintain the taxi industry’s good reputation, as well as giving the public a high quality of service.

Policy on the Relevance of Convictions and Cautions

At the Licensing & Regulatory Committee on 29th January 2019, it was agreed that the revised policy would be adopted. This came into effect the day after, on 30th January 2019. You can view the adopted policy within the Hackney Carriage and Private Hire Licensing Policy document at the link below;

If you require a paper copy please email licensing@stalbands.gov.uk.

HMRC: Mandatory Tax checks at renewal

From 4th April 2022 licensing authorities will have to carry out checks on applications from individuals, companies and any type of partnership to make sure they have completed a tax check.

The rules will apply to renewal applications for:

- hackney carriage driver licences
- private hire driver licences
- private hire vehicle operator licences
- scrap metal site licences
- scrap metal collector licences

From the above date we will not be able to accept renewal applications unless we are provided with a valid **Tax check code**. You will be able to complete this tax check on **GOV.UK**, using your **Government Gateway account**.

If you don't have a Government Gateway account then you are advised to create one now in preparation for your next renewal. This can be done by registering for HMRC Online Services:

<https://www.gov.uk/log-in-register-hmrc-online-services>

For those without access to the online system HMRC will be providing a telephone support via 0300 200 3310.

The Tax Check system is now live and can be accessed here:

<https://www.gov.uk/guidance/complete-a-tax-check-for-a-taxi-private-hire-or-scrap-metal-licence>

The Tax Check code will be valid for 120 days so you are advised to obtain it in plenty of time for use at renewal. By way of an example if you will be renewing your licence prior to 14th July 2022 you could apply for your tax check code now and it would still be valid when you renew.

The process of completing a check will be simple and should only take minutes and please rest assured that we, as the Licensing Authority, will not have access to any of your tax information.

Below are links to the current HMRC information which explains what you need to do and what is required of us as the licensing authority:
