Dear Sir or Madam

## **REVIEW OF PARLIAMENTARY POLLING DISTRICTS AND POLLING PLACES IN THE CITY AND DISTRICT OF ST ALBANS**

I am writing to inform you of the commencement of a review of Parliamentary Polling Districts and Polling Places in the City and District of St Albans. St Albans City and District Council ('The Council') is undertaking the review.

I enclose a copy of the timetable for the review, and a copy of the proposed Schedule of Polling Districts and Polling Places.

I would welcome any comments or suggestions you may have in respect of the proposed arrangements. Alternatively, if you consider that the proposed arrangements are satisfactory and no change is required, please let me know. Any comments received will be taken into account when drawing up the Schedule of Polling Districts and Polling Places which The Council's Licensing and Regulatory Committee will be requested to approve at its meeting in January 2023.

**All comments and suggestions must be made in writing and must be received by no later than 23 December 2022.** Comments may be emailed to [elections@stalbans.gov.uk](mailto:elections@stalbans.gov.uk) or posted to: Electoral Services, St Albans City and District Council, Civic Centre, St Peters Street, St Albans, Herts, AL1 3JE.

Further information and maps are available on the council's website: <https://www.stalbans.gov.uk/polling-stations-districts-and-boundaries>

Should you have any queries or wish to discuss any particular issues, please contact a member of the Electoral Services team on [elections@stalbans.gov.uk](mailto:elections@stalbans.gov.uk) / 01727 819550.

An explanation of the definitions used within the schedule is provided below:

**Parliamentary constituencies:** these cannot be changed by the review. The division of these constituencies into polling districts and places is the subject of the review.

**Polling district:** the area created by the division of a constituency, ward or division into smaller parts, within which a polling place can be determined which is convenient to electors.

**Polling place:** the building or area in which polling stations will be selected by the Returning Officer.

**Polling station:** the room where the poll takes place. Chosen by the Returning Officer for the election and publicised on the Notice of Poll or the Notice of Situation of Polling Stations and communicated to electors via poll cards.

Yours sincerely

**Amanda Foley**  
Electoral Registration Officer
