Dear Sir or Madam

## **REVIEW OF PARLIAMENTARY POLLING DISTRICTS AND POLLING PLACES IN THE CITY AND DISTRICT OF ST ALBANS**

I am writing to inform you of the commencement of a review of Parliamentary Polling Districts and Polling Places in the City and District of St Albans. St Albans City and District Council ('The Council') is undertaking the review following the conclusion of a recent Local Government Boundary Commission for England review of district ward boundaries.

I enclose a copy of the timetable for the review. You will note from the timetable that the Licensing and Regulatory Committee at its meeting in January 2022 will be requested to approve a Schedule of Polling Districts and Polling Places.

I also enclose a copy of the proposed schedule of polling districts and polling places. I would welcome any comments you may have in respect of the proposed arrangements for your area and any suggestions which you may have to amend or change the proposed polling district boundaries or the proposed polling places. Further information and maps are available on the council's website:

<https://www.stalbans.gov.uk/polling-stations-districts-and-boundaries>

An explanation of the definitions used within the schedule is provided below:

**Parliamentary constituencies:** these cannot be changed by the review. The division of these constituencies into polling districts and places is the subject of the review.

**Polling district:** the area created by the division of a constituency, ward or division into smaller parts, within which a polling place can be determined which is convenient to electors.

**Polling place:** the building or area in which polling stations will be selected by the Returning Officer.

**Polling station:** the room where the poll takes place. Chosen by the Returning Officer for the election and publicised on the Notice of Poll or the Notice of Situation of Polling Stations and communicated to electors via poll cards.

I will take your comments into account in drawing up the Council's scheme. If you consider that the proposed arrangements are satisfactory and no change is required please let me know. **All comments and suggestions must be made in writing as I am required to make these available for public inspection.** If you wish to comment by email please use the address given above.

Your comments must be received by no later than 29 October 2021. Should you wish to discuss any particular issues, please contact a member of the Electoral Services team on 01727 819550.

Yours sincerely

**Amanda Foley**  
Electoral Registration Officer
