11. The applicant is to provide further detailed information about responsible persons who have responsibilities for the day-to-day management of the site.

Declaration

12. It is important that you are aware that the declaration on the form is to make the site owner accountable for providing the correct information. It will ensure that where the site owner asks for information from the relevant person, a responsible person, or anyone else involved in the management of the site, to enable them to complete the application form, they do all they reasonably and legally can to ensure they receive and provide the correct information.
13. Please note that if it is later found that some or all of the information included in the form is false or misleading, the site owner could be prosecuted for a breach of the Regulations.

The Register

14. The Local Authority must set up and maintain a register of persons who they are satisfied are fit and proper person/s to manage a site in their area. This register must be open to inspection by the public during normal office hours. This register also must be published online.

Local Authority decisions

15. Decisions and notifications by the Local Authority are expected to be made as soon as reasonably practicable. The Local Authority can decide to either:
 - a. Grant the application unconditionally and include the person's name on the register for 5 years;
 - b. If they anticipate another decision – serve a preliminary notice on the applicant.
 - c. If a preliminary notice is served, this must include reasons for their decision and about the right to make representations about the preliminary notice.
16. The site owner has 28 days in which to make written representations if they do not agree with the preliminary notice.
17. The Local Authority must take into account any representations before making its final decision and issuing the final decision notice. This must be done as soon as reasonably practicable after the conclusion of the 28-day period.
18. A final notice must include reasons for the decision and about the right of appeal against the decision.

Review during inclusion

19. During inclusion on the register, the Local Authority will be able to review a person's inclusion if relevant new information comes to light.
20. Such review may result in removal from the register, addition, variation, or removal of a condition attached to a person's inclusion.
21. Following a review, of which the possibilities are outlined in paragraph 21 above, the Local Authority must issue a notice to the site owner setting out specified information about any action it intends to take.
22. The site owner will have 28 days in which to make representations which the Local Authority must consider before making a final decision on any action taken.
23. Having made a decision and taken the proposed action, the Local Authority must service a notice of action with 5 working days of the date of the action, setting out the details of the action that it has taken and include detail as to the right to appeal.

Amending preliminary decisions

24. A Local Authority can withdraw or amend a preliminary decision before service of the final decision notice, or a final decision notice itself, before the decision to which it relates takes effect, or a notice of proposed action before the proposed action is taken, by serving a notice on the site owner.

Right to appeal

25. A site owner has the right to appeal to the First-tier Tribunal (Property Chamber) against any decision to:
 - a. Include a person on the register for less than 5 years.
 - b. Attach or vary conditions to an entry on the register.
 - c. Reject an application for an entry or remove a person from a register.

Completion of register

26. Having assessed the application— the Local Authority may decide to add the person to its fit and proper person register. Addition to the register may be with or without conditions.
27. If the person fails the fit and proper person test, the application and record of that decision is added to the register.

Application fee and annual fee

28. The Local Authority will be able to charge an application fee and an annual fee to recover the costs they have incurred, or which will be incurred in appointing a person to manage a site with the site owner's consent.

Offences

29. There are 3 offences which can occur within the Regulations. They are as follows:

- a. Operating a site in contravention of the fit and proper person regulations - The site owner will have certain defences under the Regulations in proceedings against them.
- b. Withholding information or including false or misleading information in the registration application - The site owner will not have any defences under the Regulations in proceedings against them for this offence.
- c. Failing to comply with a specified condition - The site owner will have certain defences under the Regulations in proceedings against them.

30. Local Authorities are responsible for enforcing the Regulations. A site owner found guilty of any of the above offences will be liable on summary conviction to a level 5 (unlimited) fine.

31. In certain circumstances the Local Authority can make an application to a court or tribunal to revoke the site owner's site licence. These are:

- a. If a site owner is convicted for operating a site without they or their appointed manager having been assessed by the local authority as a fit and proper person and has been convicted of that offence on two or more previous occasions, the magistrates' court before which the site owner is convicted may, on application by the local authority, make an order to revoke the site licence;
and
- b. If a site owner is operating a site without they or their appointed manager having been assessed by the local authority as a fit and proper person, a local authority may apply to the First-tier Tribunal for an order to revoke a licence.
