

## **PRIVATE HIRE OPERATOR'S LICENCE APPLICATION FOR GRANT OR RENEWAL**

Town Police Clauses Act 1847;  
Local Government (Miscellaneous Provisions) Act 1976 Part II

---

Community and Place Delivery, St Albans City and District Council, Civic Centre,  
St Peters Street, St Albans, Hertfordshire, AL1 3JE

### **Criteria for a valid application**

Application must include:

- A completed and signed copy of the operator application form
- A copy of your proof of right to work
- Basic Disclosure Check for each applicant.
- A recent (taken at the time of application) photograph (head and neck only)
- Copy of your public liability insurance
- List of licensed drivers engaged/employed to drive and any vehicle operated by you.

### **Right to work**

The council has a duty to ensure that only those persons who are entitled to work in the UK are issued a licence to operate. For this reason all applicants must provide evidence to show that they are entitled to work in the UK, and that there are no restrictions on the work that you can do. You must produce proof of your right to work during your appointment.

If you are on a time limited visa, any licence which may be issued will expire when your visa expires. If, at any time, your entitlement to work in the UK is removed, your licence will be revoked.

### **Disclosure and Barring Service (DBS)**

Applications must also be accompanied by a Basic Disclosure certificate for each applicant. This means that a certificate must be obtained and supplied in respect of the sole individual applicant, or each individual applicant where the application is made by multiple individuals, or each director of a limited company applicant. Certificates must be issued in the full name of the relevant individual and must have been issued no earlier than 3 months before the date on which the application is made. Basic Disclosure certificates are required annually.

Basic Disclosures can be obtained The Disclosure and Barring Service, through their helpline - 03000200190, or via their website: [www.gov.uk/dbs](http://www.gov.uk/dbs)

### **Application**

Where the application is being made by a single individual, the questions on the application form should be answered by that individual. Where the application is being made by multiple individuals (whether in a formal partnership or not), the questions should be answered jointly by the applicants. Where a limited company is applying for a licence, the questions should be answered in respect of both the company and its directors.

### **Renewing your licence**

If you are applying to renew your licence please do so as least eight weeks before it expires. You cannot continue to operate if your licence has expired. We are not responsible for delays due to the actions of external bodies such as the Disclosure and Barring Service (DBS). You can only start working once we have granted you a licence.

## **Licensee's responsibilities**

Operators are required to comply with the conditions of their licences. The operator conditions can be found within in the Hackney Carriage and Private Hire Licensing Policy:

<https://www.stalbans.gov.uk/taxi-licensing>

## **Hackney Carriage and Private Hire Licensing Fees**

<b>Operator Licences</b>	<b>Fee</b>
Operator (5 year)	£680.00
<b>Additional Chargeable</b>	
Duplicate paper licence	£10.20
Operator Training Day (New Operators)	£90.00
Operator Training (For Renewal Applications)	£40.00

Please note that we can only accept payment by cheque, credit card or debit card.

You can make payment online: <https://www.stalbans.gov.uk/pay-online-taxi-licensing>

## **Trading names**

Operators will be asked to declare their (proposed) trading name(s) within their application. This is the name by which the business will typically be known by customers and the public, and which will appear on advertising placed by the Operator.

While trading names are a matter for an Operator to determine, we will seek to prevent names which may offend. We will also prevent any names that may cause confusion in connection with the provision of private hire services in the area.

Legally, only hackney carriages may display the words 'taxi' or 'cab' on their vehicles. For this reason, trading names which include the words 'taxi', 'cab', 'hackney' or 'public hire', or which are phonetically or visually similar, will not be permitted by private hire operators.

However, if the Operator also provides bookings to hackney carriages, a variation of the permitted trading name including one of these terms, may be displayed on advertising specifically in respect of those vehicles, but not in respect of any matter relating to the wider business or to private hire vehicles.

Should concerns arise about the suitability of a trading name, we will discuss these with you and you will have an opportunity to respond or to amend your application.

## **Operating Bases**

A private hire operator licence issued by us will be required for any operator with an operating base that is inside the St Albans District. Accordingly, all vehicles and drivers operating from that base will require appropriate licences issued by us. This is to ensure that proper regulation and enforcement measures may be taken by us and that all vehicles operating with St Albans District meet the Council's Hackney Carriage and Private Hire Licensing Policy objectives.

We will not grant a private hire operator licence for an operating base that is outside the St Albans District. This is to ensure that proper regulation and enforcement measures may be taken by us. This is not a restraint of trade as the operator may apply to the local authority responsible for licensing where the proposed operating base is located.

## **Hackney Carriage and Private Hire Licensing Policy**

The Department for Transport issued “Statutory Taxi and Private Hire Vehicle Standards” on 21 July 2020. As an authority that issues both hackney carriage and private hire licences St Albans Council “must have regard” to the document when exercising our functions and formulating policy.

Our Hackney Carriage and Private Hire Licensing Policy brings all our existing guidelines, standards, licensee requirements and information together in one place, as well as updating our approach as a result of changes to national guidance; the DFT Statutory Taxi & Private Hire Vehicle Standards.

At the Licensing & Regulatory Committee, it was agreed that the policy would be adopted. This came into effect the day after, on 26th January 2021. You can view the adopted at the link below;  
<https://www.stalbans.gov.uk/taxi-licensing>

If you require a paper copy please email [licensing@stalbans.gov.uk](mailto:licensing@stalbans.gov.uk).

### **HMRC: Mandatory Tax checks at renewal**

From 4<sup>th</sup> April 2022 licensing authorities will have to carry out checks on applications from individuals, companies and any type of partnership to make sure they have completed a tax check.

The rules will apply to renewal applications for:

- hackney carriage driver licences
- private hire driver licences
- private hire vehicle operator licences

From the above date we will not be able to accept renewal applications unless we are provided with a valid **Tax check code**. You will be able to complete this tax check on **GOV.UK**, using your **Government Gateway account**.

If you don't have a Government Gateway account then you are advised to create one now in preparation for your next renewal. This can be done by registering for HMRC Online Services:  
<https://www.gov.uk/log-in-register-hmrc-online-services>

For those without access to the online system HMRC will be providing a telephone support via 0300 200 3310.

**The Tax Check system is now live and can be accessed here:**

<https://www.gov.uk/guidance/complete-a-tax-check-for-a-taxi-private-hire-or-scrap-metal-licence>

The Tax Check code will be valid for 120 days so you are advised to obtain it in plenty of time for use at renewal. By way of an example if you will be renewing your licence prior to 14<sup>th</sup> July 2022 you could apply for your tax check code now and it would still be valid when you renew.

The process of completing a check will be simple and should only take minutes and please rest assured that we, as the Licensing Authority, will not have access to any of your tax information.

Below are links to the current HMRC information which explains what you need to do and what is required of us as the licensing authority:
