

Community Wealth Building

Offering energy and environmental focused support to micro businesses and VCSEs*.

WHAT SUPPORT IS ON OFFER?

Two free workshops to help you understand your environmental and energy impacts and network with other local micro and VCSE businesses.

UPCOMING WORKSHOPS

INTRODUCTION TO ENVIRONMENTAL MANAGEMENT

*Duration: 3 hours
Date: Late April & Mid May*

- Understand how to conduct an initial environmental review
- Utilise tools to create an environmental policy
- Learn how to engage staff with your ambitions
- Discover the benefits of the iE Scheme

EFFECTIVE ENERGY MANAGEMENT

*Duration: 3 hours
Date: Mid May & Early June*

- Understand the importance of effective energy management
- Identify how best to measure and monitor energy use
- Identify quick wins to realise cost savings through energy efficiency
- Create a energy action plan

To find out more and sign up contact us at: info@pect.org.uk

Those completing both workshops will also be offered:

FREE 12-month membership with iE (Investors in the Environment) accreditation scheme including access to the member portal and all digital resources. Limited to first 25 participants.

*To be eligible for support you must be based in Hertfordshire and either a micro business employing 10 or less people or a Voluntary, Community or Social Enterprise (VCSE)
