

Declaration of Interest

In the interests of transparency and openness, I, Jonathan Wellstead, declare that I serve as a Planning Appeals Decision Supplier for the Planning Inspectorate, specifically in relation to Section 78 appeals. This role is carried out independently and does not affect my full-time responsibilities as Garden Community Lead for Hemel Hempstead at Hertfordshire County Council.

I previously held the position of Planning Inspector at the Planning Inspectorate, where I was responsible for determining Section 78 appeals.
