Dear Matthew

### **Submission of St Albans City & District Council's Local Plan (LP)**

Further to our letter dated 29<sup>th</sup> March 2019, St Albans Local Plan and accompanying statutory documents, please find with this letter a USB stick which contains the following non-statutory documents;

- Self-Assessment of the Soundness and Legal Compliance.
- Habitats Regulations Assessment (as previously submitted).
- Equalities Impact Assessment.
- Latest Local Development Scheme.
- Latest Annual Monitoring Report (as previously submitted).
- Duty to Co-operate Statement.

I can confirm that, as set out in the letter of 29 March 2019, the Council wish that these additional non-statutory documents form part of the formal submission of the Local Plan. The index of the Document Library has been updated to reflect this.

Please also find included a copy of the Infrastructure Delivery Plan. We have become aware that some users have had issues with accessing some of the IDP documents online recently. Therefore we enclose a complete version and have refreshed the IDP documents online.

Yours Sincerely

Chris Briggs  
Spatial Planning Manager
