| Primary Focus - Council Scope |  | CEWF-1.1:<br>Ensure that all areas of the Council implement the Waste Management Hierarchy.<br>1. Prevention<br>2. Re-use<br>3. Recycle<br>4. Recovery<br>5. Disposal<br>CEWF-1.2:<br>Update and improve the waste collection contracts upon renewal to include<br>considerations for sorted collection, frequency of collection, and efficiency of routes. |   | R<br>R   | н  | £   | TBC   |
|                               |  | CEWF-1.3:<br>Explore the feasibility and introduction of food waste recycling at Council events and<br>markets.   |   | R  | М  | ££  | твс   |
|                               | CEWF-1:<br>Reduce the levels of waste from Council assets and<br>events. | CEWF-1.4:<br>Deliver the objectives of the Plastic Free Action Plan.  |   | R  | н  | £   | TBC   |
|                               |  | CEWF-1.5:<br>Appoint a contractor responsible for a pallet and crate takeback scheme.   |   | R  | L  | ff  | ТВС   |

|  | CEWF-1.6:<br>Improve the recycling of Market waste to a minimum of X%.  | RL  | £   |  |
|--|---|-----|-----|--|
|  | CEWF-1.7:<br>Improve the recycling of waste produced from the operation of Council assets to a<br>minimum of 60%.   | R M | £   |  |
|  | CEWF-1.8:<br>Develop a Council Waste Reduction Strategy to set out how waste from the Council will<br>be minimised and managed.   | R H | ££  |  |
| EWF-2:<br>nsure Circular Economy principles are embedded   | CEWF-2.1:<br>Consider developing a Circular Economy Action Plan including targets for landfill, reuse<br>and recycling.<br>CEWF-2.2:  | R   | ££  |  |
| into all Council processes and projects.   | CEWF-2.2:<br>Aim for Council-led developments to implement circular economy principles of<br>eliminating waste and pollution, retaining material value and utilising local supply<br>chains when practical. | R H | £££ |  |
| CEWF-3:<br>Provide and promote sustainable and inclusive food<br>options at Council sites and events.        | CEWF-3.1:<br>Provide a range of sustainable food options at Council-operated sites and events<br>prioritising local producers and suppliers.  | R M | £   |  |
|  | CEWF-4.1:<br>Develop and deliver a comprehensive Litter Strategy and continue to support<br>community litter picks.   | R   | £   |  |
|  | CEWF-4.2:<br>Continue delivery of the on-street bin replacement programme with dual recycling<br>bins.  | R   | £   |  |
|  | CEWF-4.3:<br>Develop and implement a Recycling Collection Strategy to increase recycling collection<br>from private properties.   | R M | ££  |  |
| CEWF-4:<br>Work with partners and communities to reduce waste<br>and increase recycling across the District. | CEWF-4.4:<br>Review and ensure sufficient segregated waste collection facilities and capacity are<br>available. This should be supported by the Local Plan / planning requirements.                         | R H | £££ |  |
|  | CEWF-4.5:<br>Work with other Councils, landowners and the Police to reduce fly-tipping.   | R   | £   |  |

Secondary Focus - District Scope

|   | CEWF-4.6:<br>Promote the Refill St Albans Scheme to reduce plastic bottle waste.   | R | L | £   | твс                 |
|---|--|---|---|-----|---------------------|
|   | CEWF-4.7:<br>Work with Hertfordshire County Council to promote positive waste management<br>behaviours within school curriculums.  | R | L | £   | TBC                 |
| :EWF-5:   | CEWF-5.1:<br>Reflect Circular Economy principles in the Local Plan spatial strategy.   | R | м | £   | TBC                 |
|   | CEWF-5.2:<br>Update the Local Plan to include stronger requirements for new developments,<br>including prioritising whole-life carbon and circular economy statements.   | R | н | £   | No funding required |
| Promote Circular Economy principles across the<br>District.                   | CEWF-5.3:<br>Consider identifying sites for construction waste sorting, storage, treatment and resale  | R | н | fff | ТВС                 |
|   | CEWF-5.4:<br>Include circular economy principles in the revised Economic Development Strategy to<br>help accelerate the transition to a low carbon circular economy, to develop low carbon<br>jobs and skills in the local workforce and to encourage businesses to produce, buy and<br>sell local and sustainable products. | R | н | ££  | TBC                 |
| CEWF-6:<br>Work with partners and communities to promote<br>sustainable food. | CEWF-6.1:<br>Actively promote sustainable food choices through working with communities,<br>providing advice and signposting to good practice.   | R | L | £   | ТВС                 |
