

Community Partnerships Fund – Successful Applications 2015-2018

Name of group and project	Description	Funding awarded over 3 years
Bereavement Matters: Service for Children and Young People	Flexible advice and support service for bereaved children, young people and their families in St Albans district.	£14,750
KIDS @ THE BASE	An after-school project for children in Years 5-6 living in London Colney. The project provides support, advice and guidance whilst the children are taking part in a range of activities and occasional trips.	£14,750
The Living Room	Therapeutic group counselling for addicted people, provided by our two full-time counsellors as the core service. Runs daily.	£14,750
Youthtalk	Provide one-to-one psychodynamic counselling or psychotherapy to any young person aged 14-25 within the community who makes contact with the service.	£14,750
Homestart	Trained volunteers provide early intervention support to promote the welfare of local, vulnerable families with a child under 5, preventing escalation of need.	£69,000
HTP: Mother & Baby Service	We provide supported accommodation for 8 young mothers and their babies. We support them to move into permanent accommodation when they are assessed as ready.	£87,000
St Albans and Hertsmere Women's Refuge	The Refuge provides a specialist service to women and children suffering from domestic abuse and violence. Providing emergency and move-on accommodation, resettlement and outreach services.	£85,000
