

PLANNING COMMENT FOR APPLICATION REF: 5/2020/3022

Support the Proposal

I wish to fully support this application, which will be a much needed resource in the Parish of St Stephen. Whilst I note that the planning officer has reservations concerning Burston Manor, I can say quite honestly that it would be difficult for anyone to see the Manor, screened as it is by high fencing and trees. The recent amendments to this application rightly address all concerns. I sincerely hope that Councillors approve this scheme on the 24th May
