Subject: Planning reference 5/2020/3022

To Whom it may concern,

My name is Ibukun Olajide and I am a resident at 42 Long Fallow, Chiswell green, St Albans, AL2 3EE.

I am writing to you in support of planning permission 5/2020/3022, as well as being a resident I am also a small business owner trading at the St Albans Charter market.

I recognise and I am appreciative of the crucial role that Burston Garden centre plays in the community bringing joy to the casual and avid gardener with provision of plants and gardening supplies. Burston Garden centre also provides strong support for local businesses in Hertfordshire by showcasing their products in the centre's shop as well as providing a welcoming base to start up a business.

This application to build a new retirement community will continue it's tradition of supporting the residents and small businesses of St Albans.

As the need for assisted living increases granting this planning permission will allow for a safe assisted living community to be built on this site.

Please accept my comments as a resident and a small business owner in support of granting this planning permission to the applicant.

Kind Regards
Ibukun Olajide
