Apply for a community grant

 Voluntary and community sector groups can apply for funding of up to £5,000 through the Community Grants Fund.

Chosen projects benefit the local community and help deliver the District's strategy for community inclusion. Last year 36 projects received a total of £108,000 including St Albans City & District

Bereavement Network, the British Red Cross and the Hertfordshire Asian Women's Association.

This year's funding round starts on Monday 28 April. An application form will be available on the Council's website from that date – search for Community Grants – or call **01727 819518**.

New police info point

 A police and advice information point is now available at the Civic Centre in St Albans.

Council staff will be supporting residents using the police website www.herts.police.uk, contacting the police via the non-emergency number **101** and advising on other issues.

Register to vote!

X The European Parliamentary and District Council elections take place on Thursday 22 May 2014.

You must be on the electoral register to vote. If you have recently moved into the area, or moved house, it is important that you register again at your new address. The deadline for receiving applications is Tuesday 6 May.

You can also apply to vote by post or proxy. The deadline for new postal vote applications is 5pm on Wednesday 7 May, and for new

proxy vote applications 5pm on Wednesday 14 May 2014.

Lottery funding for new museum

X A project to transform St Albans' Grade II* Town Hall into a museum and gallery has received a huge boost with the announcement of a Heritage Lottery Fund (HLF) development grant of £282,000. The Council is also applying for further HLF funding to a total of £2.8m.

This means that detailed plans for an inspirational home for the Museum of St Albans (currently based in Hatfield Road, St Albans) can be developed.

The total project cost is estimated to be £6.75m. Other funding is being provided by the Council and fund raising by the St Albans Museums and Galleries Trust. The Trust is working with the Council and the University of Hertfordshire to take forward this exciting project.

Rogue traders

X Hertfordshire Trading Standards and the Police are advising residents to always say no to traders who turn up uninvited on the doorstep.

Only deal with callers by appointment and check ID carefully. Keep front and back doors locked and fit a door bar or chain. For the majority of contracts made at your home, you will be entitled to a 7 day cooling off period.

You can contact the doorstep hotline on 0845 60 444 66. To find a Trading Standards approved trader visit www.hertsdirect.org/trustmark and www.buywithconfidence.gov.uk, or call the Citizens Advice Consumer Service on 08454 04 05 06. To report suspicious behaviour call the Police on 101 (or 999 in an emergency).

X Non-contact boxing sessions are on offer for boys and girls aged 7-15.

The sessions take place at St Albans Amateur Boxing Club in Toulmin Drive, St Albans on Wednesday evenings. To register your interest please call Iain Shields in the Community Safety Team on 01727 819305 or email communitysafety@stalbands.gov.uk.

Charges, and why they vary between areas

St Albans City & District Council also collects Council Tax on behalf of Hertfordshire County Council, Hertfordshire Police and Crime Commissioner and the Town and Parish Councils in the District. The actual charge for each band varies from area to area. This is because certain services are provided by the District Council in some areas, but by the Town or Parish Council in others. District, Town and Parish Councils all make different charges (know as special expenses or precepts). The amount you pay depends on where you live. For a more detailed explanation, please visit www.stalbans.gov.uk/counciltax, or telephone **01727 819204**.

Cardboard Recycling

✚ We are delighted to say that most households make a superb effort to recycle, which is very much appreciated. We are working hard to make St Albans a top recycling district with over 60% recycling – but we are not there yet. We need everyone's help to make this possible.

Following changes in national compost quality standards, we need to remove cardboard from the green waste. Please put your cardboard in your recycling box with your paper instead.

The recycling crews are putting stickers on bins where they are still finding cardboard explaining the changes and asking for it to be removed. We are cracking down on this because contaminated green waste now has to be sent to landfill which is bad for the environment and costs households £90 a tonne in landfill tax.

There is no limit to the amount of recycling we will collect from you. If your cardboard is too big to go in your recycling box, and you can't break it down, you can book an oversized cardboard collection free of charge.

To book, please call **01727 819285** or email wastemanagementservices@stalbans.gov.uk. If you need further recycling boxes you can order these (for details see box on page 7). Cardboard can also be recycled at one of the District's three household waste recycling centres and at Morrisons, Fleetville. Details at www.stalbans.gov.uk/wasteandrecycling, or call **01727 819285**.

Easter waste and recycling collection dates

✚ A reminder that crews will be out as usual on Good Friday (18 April).

Please put your bins and boxes out as normal by 7am. Crews will not be working on Easter Monday (21 April). Collections that week will take place one day later than usual, with Monday's collections on Tuesday, Tuesday's collections on Wednesday, and so on. Crews will work on Saturday 26 April to catch up.

FREE compost

✚ Sunday 6 April, from 7am (until stocks run out), Amey Depot, Ronsons Way, St Albans. Once again, to say thank you for all your recycling efforts, we are offering residents free garden compost. This is a DIY event so please bring your own bags (max 4 per car) and a spade. It's always popular so it's best to get there early!
