# Free led bike rides

 Free, fun, 'Sky Ride Local' guided bike rides are on offer from British Cycling this summer.

All rides are guided by friendly ride leaders along scenic routes. They are a great way to get out and explore the local area with family and friends. There are levels to suit everyone. Look out too for Breeze bike rides for women and rides organised through Social Cycling Groups, British Cycling's social network for cyclists. See [www.goskyride.com](http://www.goskyride.com) for details or call 01727 819320.

## Celebrate your river

 Sat 28 June & Sat 26 July, 10am. Come on down to Verulamium Park to learn about the river Ver and get closer to wildlife. There's fun for all the family with river dipping, a scavenger hunt and talks by local experts. These events are run by organisations involved in protecting our valuable chalk river.

## Free tennis fun

 The Great British Tennis Weekend initiative offers free tennis for all the family this summer.

Book your free place at: [www.greatbritishtennisweekend.com](http://www.greatbritishtennisweekend.com), or call 01727 814649.

## Drive and cycle SAFE

 With bike accidents on the increase, here are some safety tips for drivers from the Think! campaign.

Look out for cyclists, especially when turning – make eye contact so they know you've seen them.

Use your indicators – signal your intentions so that cyclists can

react. When overtaking cyclists, leave as much room as you would give a car. Cyclists may need to manoeuvre suddenly if the road surface is poor, it's windy or if a car door is opened.

Always check for cyclists when you open your car door. For safety advice for drivers and cyclists see: [think.direct.gov.uk/cycling.html](http://think.direct.gov.uk/cycling.html).

## Beach volleyball

 How about booking some time on the beach volleyball courts in Verulamium Park this summer?

Details at: [www.stalbans.gov.uk/beach-courts](http://www.stalbans.gov.uk/beach-courts), or call 01727 868227.

## Marking the First World War

 There are lots of activities planned to mark the First World War Centenary taking place across the District.

You can see what local groups are doing at: [www.stalbans.gov.uk/firstworldwar](http://www.stalbans.gov.uk/firstworldwar), or call 01727 819303. Plans include poppy

planting; historical walks; exhibitions; a tea dance; a prayer trail; workshops; lectures; publications; local research projects and a memorial book.

The Museum of St Albans has an exhibition on war time life in St Albans and Worms, our twin town in Germany (see page 4).

## All change on voter registration

 **The biggest change to UK voter registration in a hundred years starts soon. We will be writing to residents shortly about the switch to 'Individual Electoral Registration'.**

Each individual is now responsible for their own registration and to make the electoral register more secure, you will be asked to

provide a few more details.

Most people who are already registered have been transferred automatically to the new register. However some people will need to re-register. To find out more, see [www.gov.uk/yourvotematters](http://www.gov.uk/yourvotematters) or call **01727 819294**.

## New police info point

 A police advice and information point is now available at the Civic Centre in St Albans.

Council staff will be supporting residents using the police website [www.herts.police.uk](http://www.herts.police.uk), contacting the police via the non-emergency number **101** and advising on other police related issues.

# St Albans Green Ring

**X** A 9km continuous walking and cycling route in and around St Albans is gradually taking shape.

Over the next few months we are working on sections through Bernard's Heath, near the Alban Way and along Sandpit Lane. Other sections are being worked on by Hertfordshire County Council. The whole project is due to be completed in 2015.

## Neighbour action on green issues

**X** Neighbours are getting together to take practical action to reduce their environmental impact.

There are currently thirteen Transition Streets groups operating in the District. For information about setting up your own group, email [streets@transitionstalbens.org](mailto:streets@transitionstalbens.org) or call 07413 932 380.

## Community Payback

**X** Nearly 8,000 hours of free labour was provided last year through Community Payback.

Street furniture was repainted, public gardens dug, bush cleared,

grounds swept, grass cut and graffiti cleared. Courts have power to sentence offenders to community sentences of up to 300 hours of unpaid Community Payback work.

## Say NO to laughing gas

**X** The Community Safety Partnership is warning against the use of nitrous oxide (laughing gas) as a euphoric drug.

Misuse of the gas is on the increase. Users risk unconsciousness or death from lack

of oxygen. The risk is greatest if the gas is inhaled using a plastic bag. Mixing nitrous oxide with alcohol is especially dangerous.

## Parking – pay by phone

**X** PayByPhone is a quick and secure way to pay for parking by credit or debit card using your mobile phone.

Get reminder text alerts and top up your parking time on the move too. To register visit [www.paybyphone.co.uk](http://www.paybyphone.co.uk).

[www.paybyphone.co.uk](http://www.paybyphone.co.uk)/registration. Fees apply. The new system, currently available at all district on-street Pay and Display machines and at Westminster Lodge and Civic Centre car parks, will be rolled out further soon.

## Changes to parking fees

**X** To free up spaces for shoppers, parking fees are frozen or reduced at some car parks for stays of up to three hours from Monday to Saturday.

Meanwhile, fees have gone up for all day parking in central car parks. This is the case at Drovers Way, Russell Avenue, London Road and Adelaide Street in St Albans, and at Bowers Way East, Bowers Way West and Amenbury Lane in Harpenden.

Fees for all day parking are lower than before at other car parks.

This is the case at Bricket Road North, Keyfield Terrace, Gombards and Townsend Avenue.

Parking on Sundays now costs £1 all day in most central locations. This flat rate compares favourably with Sunday parking costs in surrounding Districts. Westminster Lodge car park is free of charge for up to two hours every day.

We will be reviewing how the changes are working out over the coming months. More information at [www.stalbans.gov.uk/parking](http://www.stalbans.gov.uk/parking).

## Hands up for volunteering

**Why not pop into your local Volunteer Centre at the Civic Centre in St Albans (beside the Arena) run by St Albans Centre for Voluntary Service.**

Friendly staff and volunteers can help you find a fantastic volunteering role. The Centre opens 10 – 4pm Monday to Thursday, and has over 300 opportunities to choose from.

Help in a day centre, befriend a neighbour, build your professional skills as a trustee – or so much more!

Volunteering is a great way to gain and improve skills, and is a wonderful way to meet people and get involved in your local community. More information at:

[www.volunteerstalbands.org.uk](http://www.volunteerstalbands.org.uk) or call **01727 814644**.

## Don't wash raw chicken!

**The most common cause of food poisoning in the UK – Campylobacter – is associated with eating raw or undercooked chicken, or from contamination due to washing raw chicken.**

Coinciding with Food Safety Week, here are some reminders from our team. Cover and store raw chicken at the bottom of the fridge at 5°C or below; don't wash raw chicken before cooking; wash your hands thoroughly with soap and warm water and cleanse all utensils and surfaces; use separate chopping boards for raw food; change or wash dish clothes regularly; and cook chicken thoroughly ensuring the thickest part is steaming hot, with clear juices.

More info at: [www.stalbands.gov.uk/campylobacterfacts](http://www.stalbands.gov.uk/campylobacterfacts), **01727 819354**.

 **renaissance: St Albans**  
your new museum and gallery at the heart of the city

## New museum and gallery

**Community fundraising is underway for the transformation of St Albans' Grade II\* listed Town Hall into a beautiful new museum and gallery.**

The **renaissance: St Albans** campaign will be launched at the Alban Street Festival on Sunday 22 June by St Albans Museums and Galleries Trust.

Information and fundraising packs are available for residents,

schools and businesses. The Heritage Lottery Fund and the Council are providing the majority of the funding needed for the £6.75M project. A further £1.7M now remains to be raised. The project has been described in the local press as “perhaps one of the most exciting developments the city has seen for decades”.

To find out more see [www.stalbandsmuseumsandgalleriestrust.org.uk](http://www.stalbandsmuseumsandgalleriestrust.org.uk), or call **01727 751830**.

## Civic Centre – a hub for info and advice

**At the Civic Centre in St Albans, you'll find a host of advice, information and guidance on offer from all these local organisations. Check it out for yourself.**

See [www.stalbands.gov.uk/civicculture](http://www.stalbands.gov.uk/civicculture) for details of each organisation's opening times or call **01727 866100**.

# GREEN ISSUES

## What can I recycle?

There are separate arrangements for flats.

(No soil or card please)

Glass

## Coming soon – easier cardboard collection

 Following feedback from residents, we will be adjusting the new system of cardboard collection later this year to make it easier to recycle.

Once rolled out, we will be able to collect larger sheets of cardboard as part of our normal service. The details are being finalised at the moment and we will be sending out

information to homes shortly. There are separate arrangements for flats.

One feature of the new service will be a separate collection vehicle just for cardboard and paper.

In the meantime, please continue to break up your cardboard to fit in your paper recycling box. Thank you!

## Why we ask you to separate your recycling

 Each type of recyclable material needs to be handled by a separate facility.

Plastics, cans and foils go to a centre in St Albans where magnets are used to pick out metals. Paper and cardboard is graded, pulped and cleaned at a paper mill. Glass is graded into colour and size to be used as road aggregate or new bottles and jars. Food and garden waste goes to a local composting plant to be used on farms and community gardens.

## Large plastic bottles

 Please remember to squash all plastic bottles. This helps to prevent clogging up the recycling vehicle crushing mechanism. Large plastic bottles that cannot be squashed can be taken to recycling sites.

# Litter and flytipping

**X** Last year we collected nearly 3,000 tonnes of unsightly, vermin attracting litter, and waste from flytipping, at a cost to tax payers of £1.4m.

Please help keep our beautiful

district clean. You can report littering or flytipping, or find out about joining a community litter pick, at [wastemanagementservices@stalbans.gov.uk](mailto:wastemanagementservices@stalbans.gov.uk), 01727 819285.

# Electrical recycling

**X** Electrical goods can be recycled at local Household Waste Recycling Centres (see [www.stalbans.gov.uk/HWRC](http://www.stalbans.gov.uk/HWRC) or call 01727 819285 for info).

Waitrose and Morrisons in St Albans also have recycling facilities for small electrical goods.

# Abuse of crews

**X** Sadly, while most people treat waste, recycling and street cleaning crews with respect and dignity, there has been a rise in abusive behaviour.

We want to protect crews from abuse at work. This is why we may seek to involve the Police and suspend waste collection services from individual properties if necessary.

## Need an extra recycling box?

You can have up to five recycling boxes for free. Extras cost £3. To order more boxes contact 01727 819285, [wastemanagementservices@stalbans.gov.uk](mailto:wastemanagementservices@stalbans.gov.uk).
