SUMMER IN THE CITY

FOR MORE DETAILS SEE PAGE 2

Pick up a leaflet at the Tourist Information Centre, or see enjoystalbens.com

E-billing and easier ways to pay

 You can now view and manage your council tax and business rate accounts online at www.stalbens.gov.uk/onlineservices. We also have a new self-service payment kiosk at the Civic Centre in St Albans. You can use it to pay council tax and business rates, council invoices, housing and garage rents and leaseholder charges, for example.

New museum and gallery – we need your help!

 Beautiful visuals of the proposed new St Albans museum and art gallery have been released by architects, **John McAslan & Partners**.

The London-based architects have worked on award winning projects including the King's Cross Station development. The Museums and Galleries Trust, a local charity,

needs the help of residents, visitors, and businesses – all of us who love St Albans – to help raise £1.7m towards the total cost of the £7.75m project. See how you can help at: www.renaissancestalbens.org.uk, or contact trustees Mike Gray and Caroline Eldred at stalbensmgtrust@hotmail.co.uk, 01727 751830.

Jobs at the Council

 The Council's approach is firmly positive, entrepreneurial and forward-looking and we look for the same qualities in our people. To see the latest Council jobs and watch our video about what it's like to work with us go to www.stalbens.gov.uk/jobs-and-careers.

your local market

Keeping safe at the school prom

Your school prom is something you are likely to remember all your life.

Smart decisions will help ensure it's a fond memory. There's lots of useful information (and some horror stories) online. Here are some top tips. Drink lots of water and eat plenty before, during and after. Keep drinks with you – you don't want them getting spiked. Avoid confrontation – it's really not worth it – and look out for your friends. Finally, have a plan for getting home safely.

Free cycle and safety equipment

Visit the Community Safety Partnership's stall at St Albans market on Wednesday 24 June and pick up some free goodies.

Officers from the Council, the Police and the Fire Service have free high visibility cycle wear, purse bells and wallets to give away, while stocks last. They will also be offering free fire safety checks.

Regular Wednesday police surgeries

Police surgeries are held every Wednesday between 10am and noon at the Civic Centre in St Albans, the new home of St Albans Police Station.

Call in for a chat with your friendly Police Community Support Officer, ask questions and raise any concerns.

These surgeries are designed to keep residents up-to-date with local crime matters and provide advice and information.

New London Colney sports centre – update

The new sports centre at Cotlandswick, London Colney, due to open this summer, is taking shape. It has a new 60 station gym, exercise studio and sports hall. There

are also eight five-a-side, and one seven-a-side, synthetic turf pitches offering all year round football facilities. New children's indoor and outdoor play areas are also being built.

St Albans and Harpenden Food and Drink Festival

Wed 23 Sept – Mon 5 Oct
Some dates for your diary – the ever delicious food and drink festival is back this autumn culminating in food-packed street festivals on

Sunday 27 September in Harpenden and Sunday 4 October in St Albans. For the latest news see www.enjoystalbans.com or call the Tourist Information Centre on **01727 864511**.

Reduction in parking permit fees

Many Council NCP car park season ticket holders are to benefit from a reduction in fees. A new pricing structure is being introduced this summer.

The current NCP season ticket price is £950. This is coming down to £900, or £775 if purchased for a single Council NCP managed car park. Terms and conditions apply. See www.ncp.co.uk for NCP information.

New Abbey Line Trail

Abbey Line Trail

Enjoy the combination of taking the train and walking up to 9 miles in the beautiful Colne Valley countryside.

For a new walking trail between Watford and St Albans, download the Abbey Line Trail leaflet at www.abbeyline.org.uk or pick up a copy at your local library.

The full 9 mile walk takes in rivers, scenic countryside, historic country estates and ancient woodland. It follows the route of the Abbey Line railway and can be walked in sections using the train to return. For more Hertfordshire Year of Walking ideas see www.hertsdirect.org/walking or contact walking@hertfordshire.gov.uk, 01992 588433.

Civic Centre – a hub for info and advice

At the Civic Centre in St Albans, you'll find lots of advice, information and guidance on offer from all these local organisations above.

See www.stalbans.gov.uk/civiccentre for details of each organisation's opening times or call 01727 866100.

Visitors can also make use of a new touch screen service providing access to lots of additional information on other local services and sources of help and advice.

GREEN ISSUES

We now take cardboard

Communal flats – what can I recycle?

For recycling arrangements for other types of homes, see page 8.

Paper and flattened cardboard

(No unflattened cardboard, plastic wrapping or Tretra Pak please.)

Plastics, cans and foil

(Please wash and squash. No plastic wrapping or plastic bags please.)

Glass bottles and jars

(No drinking glasses, light bulbs, spectacles, plate glass, or Pyrex/other heat treated glass please.)

Please separate your recycling as shown here, and place in the communal recycling bins. It's important that the right items go in the right bins.

Make a big impact – recycle your food waste!

 Lots of residents are doing a fantastic job recycling. Some tell us that they recycle as much as 90% of their waste.

But around 90% of the District's food waste is still going to the tip as landfill. It's bad for the environment and, at nearly £100 a tonne, it's hugely expensive and wasteful.

We are working on plans to make it easier for residents to recycle their food waste. Food waste recycling is not yet available at communal flats. For all other households, however, the big message is to please put your food waste in your green wheelie bin (or bag in some areas).

Some people use their small

caddies before transferring their food waste to their green bin. Others people put their large food caddies out to be emptied. Please use a caddy liner, or wrap the food tightly in newspaper, paper bags or paper kitchen towel to deter pests and keep your bin clean. Thank you for helping!

Beware rogue tree contractors

 Rogue tree work contractors are touting for work in the District.

Our advice is to use a reputable contractor certified by the Arboricultural Association. For advice and information see: www.stalbans.gov.uk/treesandwoodlands (01727 866100). To see if a tree has a preservation order or is in a conservation area, use our map based system (from the Council's homepage).

Become a tree warden

Tree species such as ash, oak, and horse chestnut are at risk from disease brought by climate change and the global trade in plants.

To help protect the trees we are looking for more voluntary tree wardens to join our terrific team.

Details at: www.stalbans.gov.uk/treewardens, or call 01727 866100.

What can I recycle?

There are separate arrangements for communal flats – see overleaf.

Paper and flattened cardboard

(Place large sheets of card securely with paper box please. No unflattened cardboard, plastic wrapping or Tretra Pak please.)

Plastics, cans and foil

(Please wash and squash. No plastic wrapping or plastic bags please.)

Glass bottles and jars

(No broken glass please. No drinking glasses, light bulbs, spectacles, plate glass, or Pyrex/ other heat treated glass please.)

Green waste, food waste and shredded paper

(No soil, stones, turf or card please.)
(Some streets have bags rather than bins.)

Help catch fly-tippers

 Most people hate fly-tipping and frown heavily on those who are selfish enough to do it. The sad fact is, however, that fly-tipping has doubled in the last year.

The Council, the Police and neighbouring authorities are working together to investigate and prosecute fly-tippers.

You are responsible for what happens to your waste even after it has left your premises. You can

be fined up to £50,000 or go to prison for up to five years if the waste is dumped.

We need your help. If you spot someone dumping waste, please note their vehicle details and call the police on 999 if the crime is in progress. Alternatively, call the non-emergency number 101. A photo can provide evidence to help with prosecutions. Please leave everything untouched.

To report fly-tipped waste, please

call our hotline **01727 819598** or email a.cleanerdistrict@stalban.gov.uk.

Please take your waste to a local authority waste disposal site. If you are a business, use a waste carrier registered with the Environment Agency and ask to see their waste carrier licence.
