BUSINESS PERMIT–NOTES FOR GUIDANCE

1. GENERAL INFORMATION

There is a limited number of Business Permits available within each of St Albans Controlled Parking Zone (CPZ) schemes. *

The purpose of the Business Permits is to provide help to small and medium enterprises within the City & District of St Albans Council area to serve their business needs and enable them to park close to their businesses.

They are allocated with top priority being given to those who need their vehicle for operational purposes and to those businesses located within the streets which are directly affected.

N.B. Only one permit can be granted per qualifying business as per the Traffic Regulation Orders. Each permit can contain two registration numbers but, only one vehicle may use the business permit at any one time.

It is the responsibility of the business permit holder to renew their business permit prior to the expiry date.

2. QUALIFYING CRITERIA:

Qualifying Businesses **MUST** demonstrate:

- 1) The business has no space to park within the curtilage of the premises
- 2) The Company is registered for business rates
- 3) Vehicles are essential to the business because they are needed for collection, deliveries or regular site visits
- 4) Vehicles are based with the business within St Albans City & District
- 5) Vehicles must be less than 5.25 metres in length and no more than 2.3 metres in height. (The Council reserves the right to remove a business permit if it is found that the vehicle is larger than the above dimensions)
- 6) The vehicle is an operational vehicle registered and insured with the business **OR**

Applicant's Own Vehicle for Business Use:

A letter must be submitted on Company headed paper as validation of the statements made on the form about the need for the use of the vehicle for business purpose. The letter has to describe the nature of the business and type of work that the applicant performs.

Sole Trader's Vehicle for Businesses:

A letter must be submitted from the business accountant validating the business name and address and the need to use the vehicle for business purposes.

3. CHARGES

Business permits can be obtained for a period of 3 months or 12 months. The charges are as follows:

Hours of Control in the Zone	Charge per Quarter	Charge per Year
8.30am to 8pm	£152.95	£611.80
2 hours per day	£76.45	£305.85

4. USAGE

A business permit must be clearly displayed with all the relevant information showing – A Penalty Charge Notice may be served if a business permit is not clearly displayed.

Permits are the property of the Council and can be withdrawn without notice in instances where a permit holder does not park considerably or on the **vehicle** highway

5. PARKING SPACES:

A valid business permit entitles the holder to park in the Controlled Parking Zone to which the business permit was issued.

Before applying for a business permit, please ensure that you can make full use of it and space is available as the Council cannot guarantee to give the business permit holder a parking space.

Where applicable, a vehicle must be parked wholly within the bay markings.

Vehicles must not be parked in marked spaces where they would cause obstruction to adjacent vehicles or private accesses marked with a white bar marking.

6. APPLICATION PROCEDURE

7. SURRENDER OF PERMIT

You must return the permit to the Council if you cease to be a qualifying business in the zone to which the permit applies or if you change or stop using the car shown on it. You cannot continue using the permit if the details by which it was obtained are no longer valid. If the permit is surrendered before it is expired, a refund will be calculated for the remaining term on the following basis.
