“business” means a place of work whose address is listed as an eligible address in Schedule 3 to this Order.

"car club" means a car club or similar organisation (including any person or organization acting on behalf of such club or organisation) approved in writing by the Council for the purposes of this order;

"car club parking place" means an area on a highway designated as a Car Club parking place by of this order.

"car club permit" means a permit issued to a car club authorised by the Council to park in a car club parking place in accordance with Article 20 of this Order.

"car club Vehicle" means a vehicle of the type approved by the Council and provided by a car club or by the Council for the use of persons who have paid any relevant membership or other car club fee and by means of a real-time or advance booking system may have use of the vehicle for a specified period and which displays the relevant identification issued and / or approved by the Council.

“Civil Enforcement Officer” is a Civil Enforcement Officer as defined by the Traffic Management Act 2004;

“charging point” means an installation adjacent to a parking place for the purposes of recharging the battery of an electric vehicle by way of a connected lead;

“charging” means that an electric vehicle is connected to a charging point and said point indicates the vehicle is charging;

“Coach” for the purpose of parking in a designated bus parking place, means a “bus” a motor vehicle constructed or adapted to carry 8 or more passengers (exclusive of the driver)

“disabled person” means a disabled person of a description prescribed by Regulation 4 of the Disabled Persons (Badges for Motor Vehicles) (England) Regulations 2000 SI 682;

“disabled person’s badge” has the same meaning as in the Disabled Persons (Badges for Motor Vehicles) (England) Regulations 2000 SI 682;

“disabled person's vehicle” means a vehicle lawfully displaying a disabled person's badge and which is a vehicle which, immediately before or after any period of waiting allowed by virtue of a provision of a kind required by Regulation 8 of the Local Authorities' Traffic Orders (Exemptions for Disabled Persons) (England) Regulations 2000 SI 683, has been or is to be driven by a disabled person or, as the case may be, has been or is to be used for carrying disabled persons as passengers;

“dispensation” means permission in writing issued by the Council allowing a vehicle to park in accordance with any terms and conditions issued with that written permission. This may include displaying the written permission showing the relevant approval including any expiration details of the permission.

“doctor” means a registered medical practitioner who is registered on the general medical council list of registered medical practitioners with a license to practice.

“driver” means, in relation to a vehicle waiting or parked in a restricted area or parking place respectively, means the person driving the vehicle at the time it was parked in the prohibited or restricted parking area or parking place.

“educational parking permit” means a permit that has been issued to a person that works at a school eligible for permits as specified in Schedule 3 and in accordance with part K of this order.

“electric vehicle” has the same meaning as in 2(1) of the Alternative Fuels Infrastructure Regulations 2017

“eligible address” means any postal address which is listed in Schedules 1, 2, and 3 to this Order and is a residential dwelling as detailed on Council Tax records or a registered business or school within the relevant streets / zones listed under schedules 1, 2, and 3 and subject to the provisions of this order.

"enactment" means any enactment whether public general or local, and includes any order, bylaw, rule, regulation, scheme or other instrument having effect by virtue of an enactment and any reference in this Order to any enactment shall be construed as a reference to that enactment as amended, applied, consolidated, re-enacted by or as having effect by virtue of any subsequent enactment;

“goods vehicle” has the same meaning as in Schedule 1 of The Traffic Signs Regulations and General Directions 2016

"goods" means goods of any kind whether animate or inanimate and includes postal packets of any description; and "delivering" and "collecting" in relation to any goods includes checking the goods for the purpose of their delivery or collection;

“hackney carriage” has the same meaning as in the Town Police Clauses Act 1847 and the Local Government (Miscellaneous Provisions) Act 1976

“health care parking permit” means a permit issued to a health care worker who is eligible to a health care permit under the provisions of this order.

"health care worker" means doctor, nurse, midwife, health visitor, social worker and home carers employed by the Council or other organisation who, during the permitted hours, frequently attend patients and clients who are residents in the streets contained affected by this order.

“Highway” has the same meaning as Section 328 of the Highways Act 1980

“footway” has the same meaning as in Section 329(1) of the Highways Act 1980

“Household” means a dwelling with a separate entry on the Council’s Council Tax register;

"handheld device" means Council approved equipment used by Civil Enforcement Officers that receives and displays information on valid and expired parking sessions;

“Key” or “Key to the on-street plans” means a list provided on the on-street plans which contains an explanation of what the different lines and symbols on the individual map/s mean, this will also include specific details of restriction times, days, zone identifiers, or any other relevant information.

"motor cycle" has the same meaning as in Section 185(1) of the Road Traffic Act 1988;

“motor vehicle” has the same meaning as in Section 136(1) of the Act of 1984;

“nanny parking permit” means a permit issued by the council in accordance with Part H of this Order for the exclusive use of a registered child minder / nanny who lives at an eligible address for a permit as specified in Schedules 1 and 2 to this order;

“On-Street Plans” means a Geographic Information System (GIS) map showing the specified location/s within the City and District Of St Albans and incorporated into this order under article 2 of this order as the “On-street Plans” and numbered as map 1 to 191 (inclusive of any map variations) and including the key to the on-street plans therein, which are incorporated into this Order pursuant to Article 2 hereof.

On the On-Street Plans and key to the on-street plans -

- I. “Shared use” means, an area of the highway with more than one waiting or loading / stopping restriction or parking place use, assigned to it as specified on the on-street plans
- II. The  symbol means, no return within the specified time period assigned and detailed on the on-street plans.
- III. The  Symbol means, a maximum period in which a vehicle can wait, as specified on the on-street plans.

“owner” in relation to a vehicle means the person by whom such vehicle is kept and used. In determining who was the owner at any time it shall be presumed that the owner was the person named in the vehicle registration document as the registered keeper of the vehicle or the person who has the use of such vehicle in the course of his / her employment and who is entitled to use such vehicle as though he / she were the registered keeper thereof;

"paperless equivalent" means a “Virtual permit” issued electronically by the Councils service provider or by the Council under the provisions of this Order

“parking place” means an area indicated by markings or contrasting road surfacing to show the position in which a vehicle or vehicle of particular class may be parked as set out under the provisions of this Order and as particularised on the “On-Street Plans” and key thereof;

"Parking Permit" or "Permit" means a resident parking permit, visitor parking permit, resident dispensation permit, business parking permit, car club permit, educational parking permit, health care parking permit or nanny parking permit issued by the Council under the provisions of this Order; or its paperless equivalent;

"parking session" means a period of time for which parking has been paid for using the pay by phone service;

"pay and display ticket" means a ticket issued by a parking ticket machine on payment of the specified charge under the provisions of this order;

"parking ticket machine" means an apparatus of a type approved by the Secretary of State for issuing a ticket indicating the payment of a charge, the date on which the ticket is valid and the time by which the vehicle is required to leave the parking place;

"Pay by Phone Service" or "pay by phone" means a cashless system of paying for or purchasing a parking session by use of a phone, internet, or other electronic means provided by the Council, or its service provider facilitated by on site or remote verification, under the provisions of this Order

"payment card" means any electronic payment method as accepted by the Council or its service provider at the time of purchase.

"Penalty Charge" and "Penalty Charge Notice" have the same meanings as assigned by The Civil Enforcement of Road Traffic Contraventions (Approved Devices, Charging Guidelines and General Provisions) (England) Regulations 2022 and the provisions of Part 6 and Schedule 9 of the Traffic Management Act 2004 as amended.

"permit holder" means a person to whom a permit or its paperless equivalent has been issued by the Council under the provisions of this order

"permitted hours" means the hours and days of the week for parking places where the parking of vehicles or vehicles of a specific class is permitted as particularised on "The On-Street Plans" and key thereof;

"relevant position" means on the dashboard or fascia of the vehicle or where the vehicle is not fitted with a dashboard or fascia in a conspicuous position on the nearside of the vehicle and showing the required information as defined detailed in the articles and provisions of this order, or if the vehicle is one being used by a disabled person, the same meaning as given in Regulation 4 of The Local Authorities' Traffic Orders (Exemptions for Disabled Persons) (England) Regulations 2000 as amended;

"resident" means a person whose usual place of abode is an eligible address listed in Schedules 1 and 2 to this Order.

"resident parking permit" and "resident dispensation permit" means a parking permit issued by the Council to a resident in accordance with Part H of this Order;

"restricted Hours" means the times and / or days where the waiting or loading by vehicles is restricted as particularised on the "On-Street Plans" and key thereof

"road" has the same meaning as in the Road Traffic Regulation Act 1984

"schedule" means a Schedule to this Order unless otherwise stated for the purpose of referencing separate legislation;

"sub-divided dwelling" means a property within a property e.g. Flat 1, Flat 2, Flat 3. or a property divided into more than one dwelling e.g. 99, 99a or 99b.

“taxi” means a licenced hackney carriage as described in section 13(3) (a) of the Transport Act 1985

“taxi rank” or “stand” means any area of carriageway of a specified road intended for the waiting of hackney carriages which is comprised within and indicated by a road marking prescribed in Schedule 7, Part 4, Items 7 or 9 (diagrams 1028.2 or 1028.5) of the Traffic Signs Regulations and General Directions 2016 (2016 regulations) and/or indicated by an upright sign prescribed by the 2016 regulations.

“universal service provider”, “provision of a universal postal Service” and “postal packet” shall bear the same meanings as in the Postal Services Act 2011.

“visitor parking permit” means a visitor parking permit issued to a resident by the Council in accordance with part H of this order.

“vehicle” has the same meaning as “motor vehicle” and “motor cycle” as defined under this article.

“vehicle registration mark” or “VRM” means the unique identifier required by The Road Vehicles (Display of Registration Marks) Regulations 2001 as amended, to be displayed in numerical and character format on mechanically propelled vehicles on a public highway;

“verge” means any part of a road not being a carriageway or footway and includes road margins, central reservations and those areas laid for ornamental purposes but does not include lay-bys;

“virtual permit” means an electronic record of a permit issued by electronic means following the same application process for a physical permit under the provisions of this order. A virtual permit will be confirmed by electronic form using an email address or other means as specified under separate terms and conditions. A virtual permit shall only be valid for the designated vehicle identified by its unique Vehicle Registration Mark (VRM).

"voucher" means a parking permit of a type and design approved and issued by the Council and bearing printed instructions for its validation on the reverse or a paperless equivalent for use in a parking place where voucher parking is permitted as identified and particularised in this order and on the on-street plans and key thereof;

“zone” means an area comprising the respective roads specified in the respective areas of the Plans and in the Schedules to this Order"

Revocations

3. The provisions of the Orders listed under schedule 7 of this order are hereby revoked and replaced by the provisions and restrictions of this order but only in so far as they are affected by the provisions and restrictions imposed by this Order.
4. The restrictions imposed by this Order shall be in addition to and not in derogation from any restriction or requirement imposed by any other regulations made or having effect as if made under the Act of 1984 or by or under any other enactment.

Part B - General prohibition of stopping, waiting, and loading and unloading.

Prohibition of stopping on school keep clear markings

5. Except as provided in Articles 104 and 106 of this Order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, no person shall cause or permit any vehicle to stop on an area marked by a school keep clear marking on areas of road or sides of the road within the City and District of St Albans, as shown on the On-Street Plans where stopping is not allowed during the restricted hours as identified and particularised in the Key to the On-Street Plans.

Restrictions on loading and unloading.

6. Except as provided in Articles 104 and 106 of this Order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, no person shall cause or permit any vehicle to wait or load and unload during the restricted hours in those lengths of road within the City and District of St Albans, as shown on the On-Street Plans where loading and unloading is not allowed as identified and particularised in the Key to the "On- Street Plans".

Restrictions on waiting at any time.

7. Except as provided in Articles 104, 105, 106, 107(a) of this Order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, no person shall cause or permit any vehicle to wait at any time in those lengths of road within the City and District of St Albans, as shown on the "On-Street Plans" where waiting at any time is not allowed as identified and particularised in the Key to the On-Street Plans.

Restrictions on waiting during restricted hours.

8. Except as provided in Articles 104, 105, 106 and 107 of this Order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, no person shall cause or permit any vehicle to wait during the restricted hours, on areas of roads or sides of roads as shown on the "On-Street plans" where waiting, is not allowed during the restricted hours as identified and particularised on the "On-Street plans" and the key to the "On-Street plans".

General Restrictions on waiting during restricted hours for specific classes of vehicles.

9. Save as provided in Articles 104, 105, and 106 of this Order no person shall cause or permit any vehicle to wait during the restricted hours, on areas of roads or sides of roads as shown on the "On-Street plan" where waiting is not allowed during restricted hours unless it is of a specific class as identified and particularised on the "On-Street plans" and the key to the "On-Street plans".

In this article "specific class" means a specific type of vehicle identified as a bus, taxi, or goods vehicle and is identified and particularised in the key to the "on-street plans".

Part C - Restrictions on stopping or waiting on the verge or footway.

Restrictions on stopping on the verge or footway.

10. Except as provided in Articles 104 and 106 of this Order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, no person shall cause or permit any vehicle to stop or wait at any time with 2 or more wheels on any part of the verge or footway on areas of roads or sides of roads as shown on the “On-Street plans” where stopping and waiting on the verge or footway is not allowed as identified and particularised on the “On-Street plan” and the key to the “On-Street plans”.

Restrictions on waiting on the verge or footway.

11. Except as provided in Articles 104, 105 and 106 of this Order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, no person shall cause or permit any vehicle to wait at any time with 2 or more wheels on any part of the verge or footway on areas of roads or sides of roads as shown on the “On-Street plans” where waiting on the verge or footway is not allowed as identified and particularised on the “On-Street plan” and the key to the “On-Street plans”.

Part D – Designation of Parking Places

Vehicles for which parking places are designated.

12. Except as provided in article 104 and 106 of this Order, parking places as identified in article 13 below and on the On-Street Plans and key to the on-street plans thereof, may be used for the leaving during the permitted hours of vehicles of the following class, that is to say, motor vehicles or motorcycles (the overall height of which does not exceed 2.3 metres and the overall length of which does not exceed 5.25 metres) and disabled persons vehicles (on which must be displayed the relevant disabled persons badge and disc (clock)).
13. Except as provided in article 104 and 106 of this Order, each area of the highway as identified and particularised on the “On-street plans” and key thereof to this Order is hereby authorised as;
 - (a) a disabled persons parking place; or
 - (b) a parking place designated for permit holders or resident parking permit holders; or
 - (c) a parking place designated for permit holders / resident parking permit holders, pay and display, pay by phone or voucher parking (shared use parking); or
 - (d) a parking place for the waiting of vehicles for a limited time period or permit holders / resident permit holders (shared use parking); or
 - (e) a parking place designated for pay and display or pay by phone only; or
 - (f) a parking place for the waiting of vehicles for a limited time period (free parking bay);
 - (g) a Doctors parking place
14. Except as provided in article 104 and 106 of this order, each area of the highway as identified and particularised on The “On-Street Plans” and key thereof to this Order is hereby authorised as a parking place for the purpose of;
 - (a) the loading and unloading of goods vehicles only; or
 - (b) loading and unloading only; or
 - (c) the waiting of taxis only; or
 - (d) the waiting of a bus; or
 - (e) the waiting of a car club vehicle displaying a valid ‘car club’ permit only; or
 - (f) the waiting of an electric vehicle only; or
 - (g) the waiting of motorcycles only

15. Except as provided in article 104 and 106 of this Order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, where in Part D of this Order a length of road is described as designated or authorised for use as a parking place, the driver of a vehicle shall not permit the vehicle to wait in that parking place unless it is wholly parked within the marked limits of the parking place.

Part E – Use of Parking Places for a Specific Class of Vehicle

16. Except as provided in Articles 104, and 106 of this Order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, where in Article 13(a) of this Order a length of road is described as authorised for use as a disabled persons parking place, the driver of a vehicle shall not permit the vehicle to wait in that parking place during the restricted hours unless it is a disabled persons vehicle on which is displayed in the relevant position a disabled person's badge and disc (clock). Where a valid disabled person's badge is displayed, the vehicle shall not wait;
- (a) for longer than the maximum time period specified and particularised on the on-street plans and key thereof, or
 - (b) if a period less than that specified and particularised on the on-street plans and key thereof, as being a period during which the vehicle must not be left again in that parking place has elapsed.
17. Except as provided in Articles 104 and 106 of this Order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, where in article 14(a) a parking place is designated for the loading and unloading of goods vehicles only, as specified and particularised on the on-street plans and key thereof, no vehicle shall wait in that parking place unless it is a goods vehicle loading and unloading.
18. Except as provided in Articles 104 and 106 of this Order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, where in article 14(b) a parking place is designated for the loading and unloading of goods, no vehicle shall wait unless it is loading or unloading goods as specified and particularised on the on-street plans and key thereof.
19. Except as provided in Articles 104, 105, and 106 of this Order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, where in Article 14(c) and (d) of this Order a length of road is described as authorised as a parking place for a specific class of vehicle, the driver of a vehicle shall not permit the vehicle to wait in that parking place during the restricted hours unless it is of the specific class as identified in this article and particularised on the "on-street plans" and key thereof. Where in this article a vehicle of the specific class is permitted to wait, it shall not wait;
- (a) for longer than the maximum time period specified and particularised on the on-street plans and key thereof, or
 - (b) if a period less than that specified and particularised on the on-street plans and key thereof, as being a period during which the vehicle must not be left again in that parking place has elapsed.

In this article "specific class" means a specific type of vehicle identified as a bus or taxi and is identified and particularised in the key to the "on-street plans".

20. Except as provided in Articles 104 and 106 of this order, no person shall, except upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, where in article 14(e) of this order a length of road is described as authorised as a parking place for a car club vehicle, cause or permit any vehicle to wait in any parking place as specified and particularised on the on-street plans and key thereof, unless a valid car club permit issued to the car club provider by the Council, is displayed in the relevant position or has a valid paperless equivalent issued by the Council for that vehicle on behalf of the Car Club provider.

In this article; a valid car club permit shall be the same type and bearing the same details as a permit issued to a business under Part I of this Order but would be stated on the permit as a 'Car Club' not a business parking permit.

21. Except as provided in Articles 104 and 106 of this Order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, where in Article 14(f) of this order a length of road is described as authorised as a parking place for electric vehicles and identified and particularised on the "on-street plans" and key thereof, The driver of a vehicle shall not permit the vehicle to wait in a parking place designated for use for the recharging of electric vehicles by means of a charging post unless it is –
- (a) an electric vehicle and is;
 - (b) connected to a charging post and charging; and
 - (c) parked wholly within the marked limits of the parking place; and
 - (d) not parked for longer than the period specified and particularised on the "On-street plans" and key thereof.
22. Where in Article 14(g) of this order a length of road is described as authorised as a parking place for a motor-cycle, except as provided in Articles 104 and 106 of this order, no person shall, except upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, cause or permit any vehicle to wait in that parking place as specified and particularised on the on-street plans and key thereof, unless it is a motor-cycle.

Part F – Use of Parking Places with or without charges

Restrictions of waiting in a resident permit or other permit parking place

23. Except as provided in Articles 104, 105, 106, and 108 of this order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, no person shall cause or permit any vehicle to wait during the restricted hours in any parking place designated under Article 13(b) and particularised on the on-street plans and key thereof, unless a valid parking permit or resident parking permit for that parking place is displayed in the relevant position or has a valid paperless equivalent issued under the provisions of this order.

Restrictions of waiting in permit holders / resident permit holders, pay and display, pay by phone or voucher parking (shared use parking) place.

24. Except as provided in Articles 104, 105, 106, and 108 of this order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, no person shall cause or permit any vehicle to wait in a parking place designated under Article 13(c) and identified and particularised on the on-street plans and key thereof,
- (a) without displaying in the relevant position, a valid parking permit or voucher, or has a valid paperless equivalent issued under the provisions of this order. or
 - (b) without paying the specified charge and displaying a valid pay and display ticket in the relevant position or through the purchase of a parking session.

Restrictions of waiting for a limited time period or permit holders / resident parking permit holders (shared use parking).

25. Except as provided in Articles 104, 105, 106, and 108 of this order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, no person shall cause or permit any vehicle to wait in a parking place designated under Article 13(d) and identified and particularised on the on-street plans and key thereof;
- (a) for longer than the maximum time period specified and particularised on the on-street plans and key thereof, or
 - (b) if a period less than that specified and particularised on the on-street plans and key thereof, as being a period during which the vehicle must not be left again in that parking place has elapsed, or
 - (c) unless it displays in the relevant position a valid parking permit for that parking place as identified and particularised on the on-street plans and key thereof or has a valid paperless equivalent issued under the provisions of this order.

Restrictions of waiting in a pay and display or pay by phone parking place

26. Except as provided in Articles 104, 105, 106, and 108 of this order or upon the direction of a police constable in uniform or with the permission of a Civil Enforcement Officer, no person shall cause or permit any vehicle to wait in a parking place designated under Article 13 (e) and identified and particularised on the on-street plans and key thereof without;
- (a) paying the specified charge and displaying in the relevant position a valid pay and display ticket as specified and particularised in the provisions of this order. or
 - (b) purchasing a parking session as specified and particularised in the provisions of this order.

Restrictions of waiting in a limited waiting parking place

27. Except as provided in Articles 104, 105, 106, and 108 of this order or upon the direction of a police constable in uniform, no person shall cause or permit any vehicle to wait in a parking place designated under Article 13 (f) and identified and particularised on the on-street plans and key thereof,
- (a) for longer than the maximum time period specified and particularised on the on-street plans and key thereof, or
 - (b) if a period less than that specified and particularised on the on-street plans and key thereof, as being a period during which the vehicle must not be left again in that parking place has elapsed.

Restrictions of waiting in a doctors parking place

28. Except as provided in Articles 104 and 106 of this order or upon the direction of a police constable in uniform, no person shall cause or permit any vehicle to wait in a parking place designated under Article 13 (g) and identified and particularised on the on-street plans and key thereof, unless
- (a) it is a marked 'doctor/s' vehicle or
 - (b) it displays in the relevant position a valid dispensation issued at the discretion of the Council for that vehicle.

Part G – Payment and means of payment and validity of parking charges.

Payment

29. The driver or a person authorised by the driver of a vehicle using a pay and display or pay by phone parking place as specified under part F of this order shall, upon leaving the vehicle in the pay and display or pay by phone parking place, purchase a pay and display ticket or parking session at the level of charge and for the period required in accordance with the scale of charges specified within Schedule 6 of this order. The scale of charges is subject to variation at the Council's discretion giving notice in accordance with section 46A of the Act of 1984.

Means of payment

30. The charge referred to in Part F and Articles 28 and 35 for a pay and display ticket shall be payable by the insertion of an appropriate coin or coins together making up the amount of the charge into the parking ticket machine or using a debit / credit card where a debit / credit card terminal or contactless reader is available and provided by the Council at the parking ticket machine relative to the pay and display parking place in which the vehicle has been left.
31. The charge referred to in Part F and Articles 28 and 37 for a parking session may be paid by payment card or other electronic means with the Pay by Phone service provider, as signed at the relevant pay by phone parking place in which the vehicle has been left.
32. When a payment is made using the Pay by Phone Service provider using a payment card or other electronic means of payment, evidence shall be available from the service provider on a Handheld Device carried by the Civil Enforcement Officer:
33. Evidence of payment using the pay by phone service shall also include details of the date and time of expiry of the parking session for which payment has been made in accordance with the provisions of this Order.
34. Where evidence is not available on the Handheld Device, evidence shall be available from the relevant service provider, that evidence shall be in accordance with the provisions of this Order.

Display of a pay and display ticket issued by a parking Ticket Machine

35. The driver or person deemed to be in charge of a vehicle parked within a pay and display parking place shall:
- (a) display a pay and display ticket issued on payment of the charges in the relevant position in the vehicle in respect of which it was issued, with expiry time and date being shown so that it can be inspected by a Civil Enforcement Officer;
 - (b) ensure that a pay and display ticket is displayed as indicated in (a) above, during the entire period that the vehicle is parked in the parking place. or
 - (c) When payment has been made using the Pay by Phone service, there shall be no requirement to display a pay and display ticket.

Validity of Pay and Display Tickets

36. A pay and display ticket used in a parking place as defined and particularised within this order and on-street plans to this order, shall only be a valid pay and display ticket if.
- (a) it has been purchased from a parking ticket machine relevant to the parking place where the vehicle is left. This is defined by the identification on the parking ticket machine located in respect of that parking place and the information printed on the pay and display ticket; and
 - (b) it is continuously exhibited in the vehicle in a relevant position showing the expiry details including date and time of expiry.
 - (c) it has been purchased in accordance with the provision that one pay and display ticket per vehicle shall be valid and that the expiry time shown on the pay and display ticket has not expired: and
 - (d) it has been purchased in accordance with the charges set out in schedule 6 and for the period indicated and particularised on the on-street plans.
37. A pay and display ticket is not transferable from one vehicle to another.

Validity of a Parking session using the pay by phone service.

38. A parking session used in accordance with the charges specified in schedule 6 and for the period specified and particularised on the “on-street plans” shall only be a valid parking session if.
- (a) it has been purchased from the pay by phone service provider in accordance with its instructions using the location number shown for that parking place and has resulted in a booking; and
 - (b) It has been purchased for the relevant vehicle identified by its unique vehicle registration mark (VRM) and that the VRM matches that as shown on the relevant pay by phone service database.
 - (c) it is shown on the handheld devices used by Civil Enforcement Officers; and
 - (d) it has been purchased in accordance with the provision that one parking session per vehicle shall be valid for the number of hours or for the period specified and in accordance with the provisions of this order including the on-street plans.

Parking Ticket machine out of order

39. If at the time when a vehicle is left during the permitted hours in a pay and display parking place and the nearest parking ticket machine is out of order, then a pay and display ticket shall be obtained from another parking ticket machine relative to that parking place or payment should be made through the Pay by Phone Service.

Part H – Resident parking permit, visitor parking permits, resident dispensation permit or nanny parking permit provisions, applications, validity, and eligibility.

Eligibility for a resident parking permit, visitor parking permit, resident dispensation permit or nanny parking permit

40. Any resident who is the owner of a vehicle or has access to a company vehicle, may apply to the Council for the issue of a resident parking permit or resident dispensation permit for each such vehicle in their ownership or control, subject to the maximum allocation per household set out in Schedule 4 to this Order.
41. Any resident may apply to the Council for the issue of visitor parking permits, up to the maximum annual allocation per household of the number of permits specified in Schedule 4 to this Order.

42. Any resident may apply to the Council for the issue of nanny parking permit upon proof of employment of a nanny or childcare provider subject to separate terms and conditions for this permit type, up to the maximum annual allocation per household of the number of permits available to a resident as specified in Schedule 4 to this Order and at the charge specified under schedule 5 of this order.

Application for a resident parking permit, visitor parking permit, resident dispensation permit or nanny parking permit

43. Application for a resident parking permit, visitor parking permits, resident dispensation permit or nanny parking permit, shall be made on a form issued by and obtainable from the Council or by electronic form from the Councils website or service provider on behalf of the Council. The form must be completed and returned accompanied by a payment for the charge specified in Schedule 5 of this Order and by such documentary evidence of entitlement in respect of an application for a permit as requested by the Council to verify any particulars or information given to them.
44. On receipt of a properly completed application and fee where appropriate, the Council shall issue to the appropriate applicant a permit or paperless equivalent provided that the applicant qualifies for the permit under the provisions of this order and any separately issued terms and conditions relating to that permit type.
45. Where permits are issued to any person upon receipt of a cheque or credit/debit card details and the payment is subsequently dishonoured, the permit, shall immediately cease to be valid.
46. The Council will serve notice on the person to whom the permit was issued at the address shown by the applicant on the application form or at any other address believed to be the applicant's place of abode, requiring that person to surrender the permit, to the Council within 48 hours of the receipt of the notice.

Charges for resident parking permit, visitor parking permit, resident dispensation permit or nanny parking permit

47. The charges for a permit shall be as specified in Schedule 5 to this order for each specific permit type.
48. The charges for all permits issued under the provisions of this order may be amended by the Council giving notice in accordance with Section 46A of the Act of 1984.

Form of resident parking permit, visitor parking permit, resident dispensation permit or nanny parking permit.

49. A resident parking permit, resident dispensation permit or nanny parking permit shall be in writing 'paper form' or paperless equivalent and shall include the following particulars:
- (a) a serial number by which the permit holder may be identified;
 - (b) the vehicle registration mark of the vehicle for which the permit is issued;
 - (c) the expiry date;
 - (d) an authentication that the permit has been issued by the Council;
 - (e) a code to identify the parking place / zone.

50. A visitor parking permit shall be in writing 'paper form' or paperless equivalent and shall include the following particulars:
- (a) a serial number by which the permit holder may be identified.
 - (b) the time, day, date, and month of commencement.
 - (c) an authentication that the visitor parking permit has been issued by the Council.
 - (d) a code to identify the parking place / zone.
 - (e) The expiry date or where required to validate the validity of a permit, the expiry date, day, and time of day.

Surrender, withdrawal and validity of a resident parking permit, visitor parking permits, resident dispensation permit or nanny parking permit

51. A permit holder may surrender a permit to the Council at any time.
52. The Council may by notice served on the permit Holder at the address shown by that person on the application form, or at any other address believed to be that person's place of abode, withdraw a permit issued to a permit holder if it appears to the Council that:-
- (a) the permit holder has ceased to be eligible to hold a permit under the provisions of Part H of this Order.
 - (b) the vehicle in respect of which a parking permit was issued has been adapted or used in such a manner that it is no longer a vehicle for which a Parking Permit can be issued under the provisions of this Order;
 - (c) the details on the permit have been altered or defaced;
 - (d) the permit has been misused under the provisions of this order or under any of the separate terms and conditions issued with or in support of the named permit.
53. A permit will only be valid if displayed on the vehicle to which the permit relates to and is identified on the permit and is displayed in the relevant position in the vehicle or, if it is a paperless equivalent, the details held on the Councils electronic data base is correct as provided by the permit holder and relates to the vehicle identified by its unique Vehicle Registration Mark (VRM) and the date and / or time of the permit has not expired.
54. A visitor parking permit will only be valid if displayed on a vehicle in the relevant position correctly marked in accordance with the instructions for validation on the front face, reverse or stated in the separate terms and conditions of the permit or, if it is a paperless equivalent, the details held on the Councils electronic data base is correct as provided by the permit holder and relates to the vehicle identified by its unique Vehicle Registration Mark (VRM) and the date and or time of the permit has not expired.
55. A permit will cease to be valid at midnight on the specified expiry date or on the date the Council withdraws a permit by notice, whichever is the earlier.
56. The Council will not make any refund for the withdrawal of a parking permit issued to a resident where the withdrawal of a permit has been made for the reasons stated under article 52 of this order.
57. The Council, at its discretion, will refund part of the cost of a permit which has been surrendered for any other reason, if not less than one month remains before the expiry date, the amount of refund is to be whole months only and divided by the annual charge, if paid as specified in Schedule 5 to this Order and subject to an administration charge as specified in that same schedule.
58. The Council at its discretion, will refund the cost of whole unused books of visitor parking permits which are surrendered. No refund will be given to single visitor parking permits or unused virtual parking permits, part used books of permits or defaced permits.

Application for and the issue of a duplicate resident parking permit, resident dispensation permit or nanny parking permit

59. The Council will issue a duplicate or replacement permit in the following circumstances:
- (a) If a permit named under Part H of this order is mutilated or accidentally defaced or the figures or particulars on it have become illegible or the colour of the permit has faded, the Permit Holder shall surrender it to the Council. If the permit is accompanied by an application for a replacement, a duplicate Permit shall be issued on payment of the replacement charge specified in Schedule 5, and the original shall become invalid.
 - (b) If a permit named under Part H of this order is lost or destroyed, the permit holder may apply to the Council for the issue of a duplicate. If the Council is satisfied as to the loss or destruction of the permit, a duplicate will be issued on payment of the charge specified in Schedule 5.
 - (c) If a permit Holder acquires a new vehicle, the permit holder must surrender the original permit to the Council and make an application for a new Permit and the original permit shall become invalid. An administration charge as specified under Schedule 5 of this order will apply.

Part I – Business parking permit provisions, applications, validity, and eligibility.

Eligibility for a business parking permit

60. Any person who is the owner of a motor vehicle or has access to a company vehicle which is required for the purpose of the business and whose business address is listed under the eligible addresses in Schedule 3 to this order, may apply to the Council for the issue of a business parking permit or paperless equivalent, for such vehicle in their ownership or control, subject to the maximum business parking permit allocation set out in Schedule 4 to this Order.

Application for a Business Parking Permit

61. Application for a business parking permit shall be made on a form issued by and obtainable from the Council or by electronic form from the Councils website or service provider on behalf of the Council. The form must be completed and returned accompanied by a payment for the charge specified in Schedule 5 of this Order and by such documentary evidence of entitlement in respect of an application for a business parking permit as requested by the Council to verify any particulars or information given to them.
62. On receipt of a properly completed application and fee where appropriate, the Council shall issue to the appropriate applicant a business parking permit or paperless equivalent provided that the applicant qualifies for the business parking permit.
63. Where a business parking permit is issued to any person upon receipt of a cheque or credit/debit card details and the payment is subsequently dishonoured, the business parking permit shall immediately cease to be valid.
64. The Council will serve notice on the person to whom a business parking permit was issued at the address shown by the applicant on the application form or at any other address believed to be the applicant's place of abode, requiring that person to surrender the business parking permit, to the Council within 48 hours of the receipt of the notice.

Charges for a business parking permit

65. The charges for a business parking permit shall be as specified in Schedule 5 to this Order.
66. The charges for a business parking permit may be amended by the Council giving notice in accordance with Section 46A of the Act of 1984.

Form of business parking permits

67. A business parking permit shall be in writing 'Paper form' or paperless equivalent and shall include the following particulars:
 - (a) a serial number by which the permit Holder may be identified;
 - (b) the vehicle registration mark(s) of the vehicle(s) for which the business parking permit is issued;
 - (c) the expiry date;
 - (d) an authentication that the business parking permit has been issued by the Council;
 - (e) a code to identify the parking place.

Surrender, withdrawal and validity of a business parking permit

68. A permit holder may surrender a business parking permit to the Council at any time.
69. The Council may by notice served on the permit holder at the address shown by that person on the application form or at any other address believed to be that person's place of abode, withdraw a business parking permit. The notice will detail the reason for the permit withdrawal.
70. A business parking permit will be valid only if displayed in the relevant position on the vehicle to which the business parking permit relates or, if it is a paperless equivalent, the details held on the Councils electronic data base is correct as provided by the permit holder and relates to the vehicle identified by its unique Vehicle Registration Mark (VRM) and the date of the permit has not expired.
71. A Business Parking Permit shall cease to be valid at midnight on the specified expiry date or on the date the Council withdraws the business parking permit by notice, whichever is the earlier.
72. The Council will not make any refund for the withdrawal of a business parking permit.
73. The Council, at its discretion, will refund part of the cost of a permit which has been surrendered for any other reason, if not less than one month remains before the expiry date, the amount of refund is to be whole months only and divided by the annual charge, if paid as specified in Schedule 5 to this Order and subject to an administration charge as specified in that same schedule.

Application for and the issue of a duplicate business parking permit

74. The Council will issue a duplicate or replacement business parking permit in the following circumstances:
 - (a) If a business parking permit is mutilated or accidentally defaced or the figures or particulars on it have become illegible, the permit holder shall surrender it to the Council. If the business parking permit is accompanied by an application for a replacement business parking permit, a duplicate business parking permit shall be issued and the original business parking permit shall become invalid.

- (b) If a business parking permit is lost or destroyed, the permit Holder may apply to the Council for the issue of a duplicate. If the Council is satisfied as to the loss or destruction of the business parking permit, a duplicate will be issued.
- (c) If a permit holder acquires a new vehicle, the permit Holder must surrender the original business parking permit to the Council and make an application for a new business parking permit and the original business parking permit shall become invalid.
- (d) On receipt of the replacement charge noted in Schedule 5.

Part J – Health Care Parking Permit provisions, applications, validity, and eligibility.

Eligibility, Application for and issue of Health care parking permit.

- 75. A health care worker may apply to the Council for the issue of a health care parking permit, any such application shall be made on a form issued by and obtainable from the Council or by electronic form from the Councils website or service provider on behalf of the Council. The form must be completed and returned accompanied by a payment for the charge specified in Schedule 5 of this Order and by such documentary evidence of entitlement in respect of an application for a health care parking permit, as requested by the Council to verify any particulars or information given to them.
- 76. On receipt of an application duly made under the foregoing provisions of this order, and relevant payment specified under schedule 5 of this order, the Council, upon being satisfied that the applicant is a health care worker and duly meets the criteria set by the separate terms and conditions of a health care parking permit, shall issue a permit or paperless equivalent to the applicant thereof.
- 77. Subject to the limits set out in this article, a health care parking permit shall be valid for the leaving during the permitted hours, in a parking place described as permit holders or resident permit holders only and specified and particularised on the on-street plans but only in so far as the vehicle is used by a health care worker who, during the permitted hours, frequently attends to patients who are resident in the streets as specified in the on-street plans, to the extent that the need for special parking arrangements is justified and to whom no suitable alternative parking facility is available within a reasonable distance.

In this article, the limits to the use of a health care parking permit is detailed below;

- (a) A health care parking permit is valid up to and for no longer than a period of 2 hours in the same parking place; and
- (b) May not return to that same parking place for a period of 1 hour of leaving that same parking place unless it is to attend an emergency.

Charges

- 78. The charges for a healthcare parking permit shall be as specified in Schedule 5 to this Order and are not refundable.
- 79. The charges for a healthcare parking permit may be amended by the Council giving notice in accordance with Section 46A of the Act of 1984.

Form of health care parking permit

80. A health care parking permit shall be in writing 'paper form' or paperless equivalent and shall include the following particulars:
- (a) a serial number by which the permit holder may be identified;
 - (b) the vehicle registration mark of the vehicle for which the permit is issued;
 - (c) the expiry date;
 - (d) an authentication that the health care parking permit has been issued by the Council;
 - (e) a code to identify the parking place / Zone where required, this may include the word 'All' to allow parking across all zones.

Application for and the issue of a duplicate health care parking permit.

81. The Council will issue a duplicate or replacement health care parking permit in the following circumstances:
- (a) If a health care parking permit is mutilated or accidentally defaced or the figures or particulars on it have become illegible, the permit holder shall surrender it to the Council. If the health care parking permit is accompanied by an application for a replacement health care parking permit, a duplicate health care parking permit shall be issued and the original shall become invalid.
 - (b) If a health care parking permit is lost or destroyed, the permit holder may apply to the Council for the issue of a duplicate. If the Council is satisfied as to the loss or destruction of the permit, a duplicate will be issued subject to the administration charge specified in schedule 5 of this order.
 - (c) If a permit holder acquires a new vehicle, the permit holder must surrender the original permit to the Council and make an application for a new health care parking permit and the original health care parking permit shall become invalid.
 - (d) On receipt of the replacement charge noted in Schedule 5.

Surrender, withdrawal, and validity of health care parking permit

82. A health care parking permit holder may surrender a health care parking permit to the Council at any time and shall surrender a health care parking permit to the Council on the occurrence of any one of the events set out below. The events referred to in the provisions of this Article are:
- (a) the permit holder ceasing to be a health care worker.
 - (b) the permit holder ceasing to be the owner of the vehicle in respect of which the health care parking permit was issued.
83. The Council may, by notice in writing, served on the health care parking permit holder at the address shown by that person on the application for the health care parking permit or any other address believed to be that person's place of abode, withdraw a health care parking permit if it appears to the Council that any one of the events set out below has occurred. Upon notice the permit holder shall surrender the permit to the Council within 48 hours of the receipt of the notice. Reasons for withdrawal by the Council;
- (a) the vehicle in respect of which such health care parking permit was issued being adapted or used in such a manner that it is not a vehicle of the class specified in Article 12 of this Order;
 - (b) the issue of a duplicate permit by the Council under the provisions of Article 81 of this Order;
 - (c) the health care parking permit ceasing to be valid pursuant to the provisions of this Article.

- (d) Without prejudice to the foregoing provisions of this Article, a health care parking permit shall cease to be valid at the expiration of the period specified thereon (which period shall not exceed a period of 12 months from the date on which it is issued) or on the concurrence of any one of the events set out below, whichever is the earlier.

84. Where a health care parking permit is issued to any person upon receipt of a cheque and the cheque is subsequently dishonored, the health care parking permit shall cease to be of any effect and the Council shall by notice in writing served on the person to whom such permit was issued at the address shown by that person on the application for the permit or at any other address believed to be that person's place of abode, require that person to surrender the permit to the Council within 48 hours of the receipt of the aforementioned notice.

Part K – Educational parking permit provisions, applications, validity, and eligibility.

Eligibility for an educational parking permit

85. Any person who works for a school specified as eligible in Schedule 3 and is the owner of a motor vehicle or has access to a company vehicle or hired vehicle may apply to the Council for the issue of an educational parking permit subject to the maximum allocation set out for the school in Schedule 4 to this Order.

Application for an educational parking permit

86. Application for an educational parking permit will be made on a form either electronically or by other means from the Council. The form must be completed and returned accompanied by a payment for the charge specified in Schedule 5 of this Order and by such documentary evidence of entitlement in respect of an application for an educational parking permit made to them as the Council may reasonably request to verify any particulars or information given to them.
87. On receipt of a properly completed application and fee where appropriate the Council shall issue to the appropriate applicant an educational parking permit or paperless equivalent provided that the applicant qualifies for the educational parking permit.
88. Where an educational parking permit is issued to any person upon receipt of a cheque or credit/debit card and the payment is subsequently dishonoured, the educational parking permit shall immediately cease to be valid.

Charges for educational parking permits

89. The charges for an educational parking permit shall be as specified in Schedule 5 to this Order.
90. The charges for an educational parking permit may be amended by the Council giving notice in accordance with Section 46A of the Act of 1984.

Form of educational parking permits

91. An educational parking permit shall be in writing or paperless equivalent and shall include the following particulars:
- (a) a serial number by which the permit holder may be identified;
the vehicle registration mark(s) of the vehicle(s) for which the educational parking permit is issued;
 - (b) the expiry date;
 - (c) an authentication that the educational parking permit has been issued by the Council;
 - (d) a code to identify the parking place for which the permit is valid.

Surrender, withdrawal and validity of an educational parking permit

92. A Permit Holder may surrender an educational parking permit to the Council at any time.
93. The Council may by notice served on the permit holder at the address shown by that person on the application form or at any other address believed to be that person's place of abode or the address for which the permit was valid, withdraw an educational parking permit. The notice will detail the reason for the permit withdrawal.
94. An educational parking permit will be valid only if displayed on the vehicle to which the educational parking permit relates in the relevant position.
95. An educational parking permit shall cease to be valid at midnight on the specified expiry date or on the date the Council withdraws the educational parking permit by notice, whichever is the earlier.
96. The Council will not make any refund for the withdrawal of an educational parking permit.
97. The Council, at its discretion, will refund part of the cost of an educational parking permit which has been surrendered, if not less than one month remains before the expiry date, the amount of refund is to be whole months only and divided by the annual charge, if paid as specified in Schedule 5 to this Order and subject to an administration charge as specified in Schedule 5 to this Order.

Application for and the issue of a duplicate educational parking permit

98. The Council will issue a duplicate or replacement educational parking permit in the following circumstances:
 - (a) If an educational parking permit is mutilated or accidentally defaced or the figures or particulars on it have become illegible, the permit holder shall surrender it to the Council. If the educational parking permit is accompanied by an application for a replacement Parking Permit, a duplicate educational parking permit shall be issued and the original educational parking permit shall become invalid.
 - (b) If an educational parking permit is lost or destroyed, the permit holder may apply to the Council for the issue of a duplicate. If the Council is satisfied as to the loss or destruction of the educational parking permit, a duplicate will be issued.
 - (c) If a permit holder acquires a new vehicle, the permit holder must surrender the original educational parking permit to the Council and make an application for a new educational parking permit and the original educational parking permit shall become invalid.
 - (d) On receipt of the replacement charge noted in Schedule 5.

Part L – Suspension of Parking Places.

Power to suspend use of parking places.

99. (a) A police constable in uniform may suspend for not longer than twenty-four hours the use of a parking place, or any part thereof, whenever they consider such suspension reasonably necessary for the purpose of facilitating the movement of traffic or promoting its safety.
- (b) Any person authorised by the Council may suspend the use of a parking place, or part thereof, whenever they consider such suspension reasonably necessary:
 - I. for the purpose of facilitating the movement of traffic or promoting its safety;
 - II. for the purpose of any building operation, demolition or excavation in or adjacent to the parking place or;
 - III. the maintenance, improvement, or reconstruction of the parking place or

- IV. the laying, erection, alteration, removal, or repair in or adjacent to the parking place of any sewer or of any main, pipe or apparatus for the supply of gas, water or electricity or of any telecommunication apparatus or traffic sign; or
 - V. for the convenience of occupiers of premises adjacent to the parking place on any occasion for the removal of furniture from one office or dwelling house to another place; or
 - VI. on any occasion on which it is likely by reason of some special attraction that any street will be thronged or obstructed; or
 - VII. for the convenience of occupiers of premises adjacent to the parking place at times of weddings or funerals or on other special occasions; or
 - VIII. for the purpose of facilitating the cleansing of the parking place.
100. Any person authorised by the Council or a police constable in uniform suspending the use of a parking place, or any part thereof, in accordance with the provisions of Article 99 shall thereupon place or cause to be placed in or adjacent to that parking place, or part thereof, a traffic sign indicating that waiting by vehicles is prohibited.
101. Any charges for suspending the use of a parking place for the reasons given in Article 99 shall be as specified in Schedule 5 to this Order and will be applied at the discretion of the Council. The charges may be amended by the Council giving notice in accordance with Section 46A of the Act of 1984.

No waiting in a suspended parking place

102. No person shall cause or permit a vehicle to wait in a parking place or any part thereof during which such period as the Council has suspended that parking place or part thereof.
103. Nothing in Article 99 shall render it a contravention to cause or permit a vehicle to be left in a parking place which has been suspended, which displays in the relevant position a valid dispensation issued by the Council for that Parking Place Suspension or where that vehicle is identified on the parking suspension sign.

Part M – Exemptions to the provisions of this order.

Exemptions to the provisions of of this Order

104. It shall not contravene Articles listed in parts 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, and 28 of this Order to cause or permit any vehicle to wait in the parts of the road referred to therein for so long as may be reasonably necessary for the vehicle, if it cannot conveniently be used for such purpose in any other road, to be used in connection with any of the following operations, namely:-
- (a) the removal of any obstructions to traffic;
 - (b) the maintenance, improvement or reconstruction of the said roads;
 - (c) the laying, erection, alteration, repair, or cleaning of any sewer or of any main pipe or apparatus for the supply of gas, water or electricity, or of any telecommunications apparatus kept or installed for the purposes of a telecommunications code system or of any other telecommunications apparatus lawfully kept installed in any position.
 - (d) the service of a local authority or water authority in pursuance of statutory powers or duties.
 - (e) the vehicle to be used for fire brigade, ambulance or police purposes;
 - (f) the vehicle to be used by a universal service provider in the course of the provision of a universal postal service for the purpose of delivering or collecting postal packets.

105. It shall not contravene Articles 7, 8, 9, 11, 19, 23 and 24 of this Order to cause or permit any vehicle to wait in the parts of the road referred to therein for so long as may be reasonably necessary to enable:
- (a) goods to be loaded on or unloaded from the vehicle.
 - (b) a person to board or alight from the vehicle.
106. It shall not contravene Articles listed under parts 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, and 28 of this Order to cause or permit a vehicle to wait in any part of the road referred to on the on-street plans if the vehicle is prevented from proceeding by circumstances beyond the driver's control or if the driver of the vehicle has stopped in order to avoid injury or damage to persons or property or is required to do so by law.
107. Nothing in Articles 7 and 8 of this Order shall render it unlawful to cause or permit a vehicle which displays in the relevant position a disabled person's badge and a parking disc (clock), to wait in the lengths of road specified and particularised on the on-street plans and key to the on-street plans;
- (a) for a period not exceeding 3 hours (not being a period separated by an interval of less than 1 hour from a previous period of waiting by the same vehicle in the same length of road). Or
 - (b) Where in Article 8 of this order the restriction specified and particularised on the on-street plans and key to the on-street plans applies for a period of no more than 3 hours, it shall not be unlawful to cause or permit a disabled person's vehicle which displays in the relevant position a valid disabled person's badge, to wait at any time without time limit.
108. Nothing in Articles 23, 24, 25, 26, and 27 of this Order shall render it unlawful to cause or permit a disabled person's vehicle which displays in the relevant position a disabled person's badge, to wait at any time without time limit in the lengths of road specified and particularised on the on-street plans and key to the on-street plans.

Part N – Contraventions to this order and Other or Miscellaneous.

Contraventions of this Order

109. Where a person contravenes any of the provisions of this Order, or restrictions specified therein as shown on the "On-Street Plans" and detailed on the key to those plans, the Owner of the vehicle in question shall incur a penalty charge in accordance with the Traffic Management Act 2004 (as amended).
110. That charge shall be payable to St Albans City and District Council in accordance with the instructions contained on the Penalty Charge Notice.

Other

111. The Interpretation Act 1978 shall apply for the interpretation of this Order as it applies for the interpretation of an Act of Parliament.
112. The prohibitions and restrictions imposed by this Order shall be in addition to and not in derogation of any restriction or requirement imposed by any regulations made or having effect as if made under the Act of 1984 or by or under any other enactment.
