Data notes:

- (1) Figures refer to commercial holdings only. Commercial holdings are those above the thresholds for the 2010 Census. Please see the metadata tab for further details.
- (2) Local Authority Districts have changed over time, therefore data is displayed on separate worksheets when presented by a different breakdown.
- (3) Grassland includes temporary grass under 5 years old, permanent grass over 5 years old and sole right rough grazing.
- (4) These figures have been sourced from the Cattle Tracing System (CTS). The data includes returns from all holdings with cattle so are not subject to survey error.
- # - indicates that data has been suppressed to prevent disclosure of information about individual holdings, therefore totals may not necessarily agree with the sum of their components.
