

I am **Ryan Simpson Flowerday** and I have lived at xx Tollgate Road since I moved here with my parents in 2017.

On 12 August this year at about 2pm there was an incident with a cyclist on Tollgate Toad near the roundabout (opposite number 44) lasting roughly 2 hours and caused closure of Tollgate Road for an hour or so.

I did not witness the accident but believe the cyclist suffered serious injuries and this is the photograph I took on my phone.
