Dear Mr Evans

Thank you for your further email below. I have looked into your questions and would advise as follows.

Regarding question 2 the definitive average waiting time figures as at 31st March 2023 are provided below.

- 2. The average waiting times at 31 March 2023 for the following types of affordable property across the Authority:
- a) 1-bed affordable dwelling; 1.78 years
- b) 2-bed affordable dwelling; 1.44 years
- c) 3-bed affordable dwelling; and 1.95 years
- d) A 4+ bed affordable dwelling. 2.57 years

With regard to the questions 8 – 11 which you have provided for ease of reference, I have made further enquiries and sought an explanation. I am afraid the data is not available. Hertfordshire County Council (HCC) has a planning monitoring and information team which undertakes planning monitoring work on behalf of this Council and other local planning authorities. As part of this paid service, HCC complete annual planning monitoring surveys of residential and non-residential planning permissions and completions and they then have to collate, check and finalise planning completions data from the previous financial year. We therefore do not anticipate being able to supply the finalised and checked data prior to the end of the current calendar year 2023. If you would care to submit a further EIR just for this data at the end of the year we hope then to be able supply the information to you.

Kind regards.

Good afternoon,

Further to the query below could the Council please confirm whether the data requested to questions 8 – 11 is now available, if so could this data be provided. For ease of understanding these are set out again below.

Housing Completions

- 8. The number of <u>NET</u> housing completions in the St Albans District Council region in 2022/23.
- 9. The number of <u>NET</u> affordable housing completions in the St Albans District Council region in 2022/23.
- 10. The number of <u>NET</u> housing completions in Colney Heath Civil Parish in 2022/23.
- 11. The number of <u>NET</u> affordable housing completions in Colney Heath Civil Parish in 2022/23.

As previously explained the Council's response to question 2 appears to provide an answer for the period 2019 to 2023, however the question asks for average waiting times <u>at 31 March 2023</u>, this question has also been set out again below. The Council were able to provide this data for the 31 March 2022 under a previous FOI request (000007286), I have attached this for convenience.

- 2. The average waiting times at <u>31 March 2023</u> for the following types of affordable property across the Authority:
 - a) 1-bed affordable dwelling;
 - b) 2-bed affordable dwelling;
 - c) 3-bed affordable dwelling; and
 - d) A 4+ bed affordable dwelling.

Furthermore, it is unclear why the data for questions 8-11 needs to be requested from Herts County Council, could the Council please expand on the reasoning for this. In line with the Freedom of Information Act 2000 the full response to our request (000007352) was due back on the 12th of May 2023 it is now the 25th of July 2023 meaning the response is now 31 days overdue. Please could the Council provide the outstanding data as a matter of urgency.

Dear Mr Evans

Re your FOI request 000007352 and our previous response, I have been advised by the relevant planning team that as yet we do not yet have the data from Herts County Council to answer questions 8-11.

I am sorry that we are not as yet able to completely fulfil your request but that is often unfortunately the case when relying on data from another local authority organisation.

Kind regards.

Extracts from Planning Practice Guidance (March 2014, ongoing updates)

Extracts from Planning Practice Guidance

*as of 04/10/2019

Section	Paragraph	Commentary
Housing and Economic Needs Assessment	006 Reference ID: 2a- 006-20190220	 This section sets out that assessments of housing need should include considerations of and be adjusted to address affordability. This paragraph sets out that "an affordability adjustment is applied as household growth on its own is insufficient as an indicators or future housing need." This is because: "Household formation is constrained to the supply of available properties – new households cannot form if there is nowhere for them to live; and people may want to live in an area in which they do not reside currently, for example to be near to work, but be unable to find appropriate accommodation that they can afford."
Housing and Economic Needs Assessment	018 Reference ID 2a- 01820190220	Sets out that "all households whose needs are not met by the market can be considered in affordable housing need. The definition of affordable housing is set out in Annex 2 of the National Planning Policy Framework".
Housing and Economic Needs Assessment	019 Reference ID 2a- 01920190220	States that "strategic policy making authorities will need to estimate the current number of households and projected number of households who lack their own housing or who cannot afford to meet their housing needs in the market. This should involve working with colleagues in their relevant authority (e.g. housing, health and social care departments).
Housing and Economic Needs Assessment	020 Reference ID 2a- 02020190220	 The paragraph sets out that in order to calculate gross need for affordable housing, "strategic policy-making authorities can establish the unmet (gross) need for affordable housing by assessing past trends and current estimates of: the number of homeless households; the number of those in priority need who are currently housed in temporary accommodation; the number of households in over-crowded housing; the number of concealed households; the number of existing affordable housing tenants in need (i.e. householders currently housed in unsuitable dwellings); and the number of households from other tenures in need and those that cannot afford their own homes, either to rent, or to own, where that is their aspiration."
Housing and Economic Needs Assessment	024 Reference ID 2a- 02420190220	The paragraph states that "the total need for affordable housing will need to be converted into annual flows by calculating the total net need (subtract total available stock from total gross need)

		and converting total net need into an annual flow based on the plan period".
		It also details that:
		"An increase in the total housing figures included in the plan may need to be considered where it could help deliver the required number of affordable homes."
Housing Supply and Delivery	031 Reference ID: 68- 031-20190722	With regard to how past shortfalls in housing completions against planned requirements should be addressed, the paragraph states:
		"The level of deficit or shortfall will need to be calculated from the base date of the adopted plan and should be added to the plan requirements for the next 5 year period (the Sedgefield approach)"

Summary of Corporate Documents

St Albans City and District Corporate Documents

St Albans City and District Council Housing Strategy 2023-2026 – CDXX

- 1. The Housing Strategy was published on 7 February 2023 and covers the three year period from 2023 to 2026. The introduction (page 2) states that *"The Strategy has been developed to set out how the Council will <u>respond to the challenges in delivering</u> and managing high quality housing across <u>all tenures in the district in the next 3 years</u>." (My emphasis).*
- 2. Pages 3 to 4 outline the local context for St Albans District and includes a table of average property prices and rental costs for various dwelling sizes across the district. In May 2022 the average property prices range from £268,752 for a 1-bedroom dwelling to £1,046,930 for a 4-bedroom dwelling; and average rental costs range from £1,217 for a 1-bedroom dwelling and £3,243 for a 4-bedroom dwelling.
- 3. Page 4 also demonstrates that Local Housing Allowance ("LHA") per month is lower than the private rental cost per month across the authority. For example for a 2-bedroom property LHA allows for £997 per month whereas the cost to rent a 2-bedroom property stands at £1,547 per month¹.
- Page 6 goes on to state that there are 'currently' 608² households on the Council's housing register, including those on the transfer list looking to move to a smaller or larger dwelling. It sets out the dwelling size each household is seeking:
 - 1-bedroom dwelling: 196 households
 - 2-bedroom dwelling: 146 households
 - 3-bedroom dwelling: 220 households
 - 4-bedroom dwelling: 46 households
- 5. The Council's vision on page 9 explains that "The local and national context sets the scene for the need for the Council to continue to deliver high quality sustainable accommodation that meets the needs of those who cannot access the private market. <u>There is an increased</u>

¹ Home.co.uk May 2022

² On 31 March 2023 there were 641 households on the council's Housing Register (Appendix AG1a)

pressure for all types of affordable housing, and this includes temporary accommodation for homeless households." (My emphasis).

St Albans City and District Council Homelessness Strategy 2022-2025 – CDXX

- The Homelessness Strategy was published on 25 November 2021 and covers a period from 2022 to 2025.
- 7. Page 2 sets out the local context for St Albans and states that "The City and District of St Albans is characterised by high house prices and low unemployment. Unfortunately, this results in high demand for affordable housing and means that not everyone is able to access suitable accommodation." (My emphasis).
- 8. Page 3 explains that *"there were 798 approaches for homeless assistance and advice in 2020-21",* with the receipt of a Section 21 Notice (private rental sector eviction) being the fourth most common reason for homelessness accounting for 61 approaches.
- 9. Page 3 goes on to outline that during the 2020/21 monitoring period there were 115 households housed in temporary accommodation by the Council³.

St Albans City and District Council Corporate Plan 2021-2026 – CDXX

- 10. The Council's Corporate Plan was agreed at a full Council meeting on 24 February 2021 and published in April 2021. The Corporate Strategy covers the five-year period between 2021 and 2026.
- The Corporate Plan has limited discussion general affordable housing provision. However,
 Page 2 outlines that the Council aim to deliver more social housing across the District.
 Page 2 goes on to state that:

"Our location and beautiful surroundings mean lots of people want to live here. High demand for local housing means many local people find they cannot afford to buy or rent. Homelessness is a pressing issue here as elsewhere."

12. Page 2 of the Corporate Plan also explains that the Council aim to become its own largescale developer of social housing but does not give details as to how or when this aim will be achieved.

³ On 31 March 2023.114 households were housed in temporary accommodation <u>within</u> the St Albans region, an additional 3 households were housed in temporary accommodation <u>outside</u> the St Albans region (**Appendix AG1a**)

Conclusions on Corporate Documents

- 13. The evidence set out above clearly highlights that within a wide range of plans and strategies, providing affordable housing is established as, and remains, a key challenge for St Albans City and District Council.
- 14. The Council has produced an array of strategies and corporate documents, all of which seek to address issues relating to housing and affordable housing in the authority area.

Affordable Housing as a Separate Material Consideration

Affordable Housing as a Separate Material Consideration

- Regarding the weight to be attached to the proposed affordable housing benefits at the appeal site, as I set out in my Proof of Evidence, the need is acute, the benefits are considerable, and the weight in the planning balance should be <u>very substantial</u>. Affordable housing is a material benefit and should therefore be awarded its own weight in the planning balance.
- 2. Many appeal decisions issued by Inspectors and the Secretary of State ("SoS") have recognised affordable housing as an individual benefit and have specifically awarded affordable housing provision its own weight in the planning balance. Some examples are summarised below.

Appeal Ref.	Site Name	Decision Type	Decision	Date	Paragraph Ref.	Weight to Affordable Housing	Paragraph Text
APP/M0655/W/1 7/3178530	Land at Peel Hall, Warrington	SoS	Allowed	09-Nov-21	24	Very substantial	" He further agrees (IR524) that <u>the provision of affordable housing attracts very</u> substantial weight, for the reasons given."
APP/A2280/W/2 0/3259868	Land off Pump Lane, Rainham, Kent	SoS	Dismissed	03-Nov-21	33	Substantial	"The Secretary of State considers that the weight to be afforded to the delivery of housing in the light of the housing land supply shortfall is substantial (all IR12.201). Similarly, the Secretary of State agrees at IR12.202 that for the reasons given there is an acute need for affordable housing and in light of that, the delivery of at least 25% of the residential units as affordable accommodation attracts substantial weight."
APP/W1850/W/2 0/3244410	Land North of Viaduct adj. Orchard Business Park, Ledbury	SoS	Allowed	15-Mar-21	27	Substantial	"For the reasons given in IR16.122-16.123, the <u>Secretary of State also gives</u> substantial weight to the delivery of affordable housing."
APP/Y0435/W/1 7/3169314	Newport Road and Cranfield Road	SoS	Dismissed	25-Jun-20	32	Significant	"Weighing in favour of the proposal, <u>the Secretary of State affords the provision</u> of affordable housing significant weight and also affords the provision of market housing significant weight."
APP/E5330/W/1 9/3233519	Land at Love Lane, Woolwich	SoS	Dismissed	03-Jun-20	28	Substantial	"The Secretary of State considers that, in terms of benefits, <u>the provision of</u> housing benefits and affordable housing benefits each carry substantial weight."

APP/Q3115/W/1 9/3230827	Oxford Brooks University, Wheatley Campus	SoS	Allowed	23-Apr-20	35	Very substantial	35 "Given the seriousness of the affordable housing shortage in South Oxfordshire, described as "acute" by the Council, he agrees with the Inspector at IR13.111, <u>that the delivery of up to 500 houses</u> , <u>173 of which would be</u> <u>affordable</u> , are considerations that carry very substantial weight." IR 13.111 " <u>The Framework attaches great importance to housing delivery that</u> <u>meets the needs of groups with specific housing requirements</u> . In that context and given the seriousness of the affordable housing shortage in South Oxfordshire, described as "acute" by the Council, the delivery of up to 500 houses, 173 of which would be affordable, <u>has to be afforded very substantial</u> <u>weight irrespective of the fact that the Council can demonstrate a 3/5YHLS.</u> "

APP/E2001/W/1 8/3207411	Hutton Cranswick	Inspector	Dismissed	05-Jun-19	39	Significant	"However, aside from the provision of affordable housing (to which I attach significant weight), the provisions are essentially intended to mitigate the effect of the development-although they could be of some benefit to the wider public, and I have therefore given them very limited weight."
APP/P0119/W/1 7/3191477	Coalpit Heath, South Gloucestershire	Inspector	Allowed	06-Sep-18	61	Substantial	"There are three different components of the housing that would be delivered: market housing, affordable housing (AH) and custom-build housing(CBH). <u>They</u> are all important and substantial weight should be attached to each component for the reasons raised in evidence by the appellants, which was not substantively challenged by the Council, albeit they all form part of the overall housing requirement and supply. <u>The fact that the much needed AH and CBH</u> are elements that are no more than that required by policy is irrelevant –they would still comprise significant social benefits that merit substantial weight."
APP/L3815/W/1 6/3165228	Land at the Corner of Oving Road and A27, Chichester	Inspector	Allowed	18-Aug-17	63	Substantial	"Moreover, the provision of 30% policy compliant affordable houses carries weight where the Council acknowledges that affordable housing delivery has fallen short of meeting the total assessed affordable housing need, notwithstanding a recent increase in delivery. With some 1,910 households on the Housing Register in need of affordable housing, in spite of stricter eligibility criteria being introduced in 2013 there is a considerable degree of unmet need for affordable housing in the District. <u>Consequently I attach substantial weight to</u> this element of the proposal."

"For the reasons given at IR11.20-IR11.23, the Secretary of State agrees with the Inspector's findings in relation to affordable housing, and with his conclusion at IR11.23 that the need for affordable housing is acute and warrants the provision offered by the appeal proposal." IR 6.19 "In those circumstances, there is no reason to depart from the statutory basis to providing for affordable housing set out in policy 15 of the Core Strategy. The policy takes account of the needs identified in the SHMA (2008) and was found to be sound by the Core Strategy Inspector. Hence, although substantial weight should be given to the affordable housing offered, that weight should not be overwhelming."

"For the reasons given at IR8.112-8.126, the Secretary of State agrees with the Inspector's conclusion at IR8.127 that the Council does not have a 5-year supply of housing land and the appeal scheme is necessary to meet the housing needs of the district, including the need for affordable housing." IR 8.126 "It seems to me that the Council has largely ignored the affordable housing need in its evidence. The poor delivery record of the Council has also been largely overlooked. The Council's planning balance is struck without any apparent consideration being given to one of the most important reasons why housing in Droitwich Spa is needed. From all evidence that is before me the provision of affordable housing must attract very significant weight in any proper exercise of the planning balance.[4.47]"

Summary of relevant Secretary of Statement and Inspector Appeal Decisions

Relevant Secretary of State and Appeal Decisions

Appendix AG7

Brief summaries of appeal decisions relevant to the appeal are summarised below.
 The full decisions are included as Core Documents.

Appeal Decision: Land adjacent to Cornerways, High Street, Twyning, Tewkesbury (13 July 2015) – CD14.33

- 1.2 The appeal was in respect of a proposed development of 58 dwellings with 36% affordable housing in Tewkesbury Borough Council administrative area.
- 1.3 In allowing the appeal the Inspector commented at paragraph 63 of their report that:

"Mr Smith agreed that the delivery of 21 affordable dwellings is a social benefit of the proposal to which it was appropriate to give substantial weight. There is a great deal of unchallenged evidence before the Inquiry to demonstrate that there is a housing crisis in this country that manifests itself in this Borough in terms of an acute shortage of affordable housing. Table 7.16 of the Strategic Housing Market Assessment [SHMA] Update [CDA17] identifies that the net annual need for affordable housing in Tewkesbury is 587 dwellings. This is more than twice the equivalent figure for the neighbouring District of Wychavon, despite the fact that Tewkesbury's population is little more than two thirds of that in Wychavon. The Inspector in the Wychavon appeal found that the provision of affordable housing in that case: "...is a clear material consideration of significant weight that mitigates in favour of the site being granted planning permission"; the Secretary of State agreed. Given the much larger quantum of identified need in Tewkesbury and the magnitude of the accumulated shortfall in affordable housing delivery, it would be appropriate to attribute very substantial weight to this important benefit of the proposal". (My emphasis)

1.4 In allowing the appeal, the Inspector gave weight to the scheme's significance in meeting the needs of different groups in the Borough. The Inspector highlighted, at paragraph 65, this need which was *"underlined by the stark figure that this scheme*

alone would result in a 100% increase in shared ownership properties in the Parish of Twyning, as well as a 27% increase in social rented properties".

Appeal Decision: Land to the rear of the former Dylon International Premises, Station Approach, Lower Sydenham, London (June 2019) – CD14.15

- 1.5 The appeal related to a proposal for 151 residential units on a site in the London Borough of Bromley. In determining the appeal, the Inspector states that ministerial speeches and Government commissioned reports stretching back several years set out in 'stark relief' the scale of the housing crisis.
- 1.6 The Inspector then (at paragraph 32) cited the former Secretary of State at MHCLG (James Brokenshire) where he said that the consequences of the housing crisis are that "...ordinary families, young people starting out in life and many others struggling to secure that most basic of human needs a place to call their own and being denied the opportunities that come with it"
- 1.7 The inspector went on to conclude at paragraph 35 that "<u>very substantial weight</u> attaches to the contribution of this scheme to the provision of market housing and <u>particularly the pressing need for affordable housing</u>" (emphasis added).

Secretary of State Decision: Land North of Viaduct adj. Orchard Business Park, Ledbury (17 March 2021) – CD15.3

1.8 The advising Inspector, Lesley Coffey, noted that the proposal included the delivery of a very substantial amount of market housing and affordable housing:

"The need for affordable dwellings is set out in detail by Mr Stacey, on behalf of the appellant. It is clear that there is a longstanding and sizeable shortfall in the provision of affordable dwellings within Herefordshire." (Paragraph IR 16.122)

- 1.9 It was agreed between parties that *"in the context of the market and affordable housing shortfall, the housing delivery benefits of the appeal scheme are substantial"* (Paragraph IR7.4)
- 1.10 Inspector Lesley Coffey, advising the Secretary of State, asserted at paragraph IR9.97 of her report that:

"The ability to deliver Affordable Housing on this site is an important part of the appeal proposal and benefits of the scheme. There is a well-established national housing crisis in this country which is causing misery to millions of

people. It is a manifestation of an underlying persistent and pervasive trend over many decades. We build too few homes and far too few affordable homes."

1.11 She then continued to state at paragraph IR9.98:

"The Herefordshire Local Housing Market Assessment (LHMA) 2012 (November 2013) identifies an annual requirement of 691 dwellings between 2012/13 and 2016/17. Between 2011/12 and 2018/19 there has been an accumulated shortfall of 4,604 affordable dwellings. This is an affordable housing shortfall of 81% since 2011/12 against a target of 5,667. There was only one affordable home built in Ledbury in the last 9 years, and that was in 2011. The appeal scheme will deliver up to 250 affordable dwellings in accordance with Policy H1 of the Core Strategy."

1.12 In determining the appeal, the Secretary of State concurred with these findings, thus underlining the importance of addressing affordable housing needs.

Appeal Decision: Maitland Lodge, Billericay (November 2022) - CD14.20

- 11.1 A Green Belt site proposal for 47 dwellings, including 21 (45%) affordable housing units at Maitland Lodge, Billericay was allowed at appeal in November 2022.
- 11.2 Giving evidence at the appeal TKP demonstrated a shortfall of almost 2,500 homes and a net delivery of affordable housing of just five dwellings per annum over the past seven years. The Inspector described affordable housing delivery in Basildon as "abysmal" with an "acute and persistent" shortfall. The Inspector recognised that the delivery shortfall represents a significant conflict with the NPPF, specifying that:

"Each of the 2,494 affordable homes that should have been built, but have not, represent a missed opportunity to help alleviate the housing concerns of individuals and families. The situation represents a significant conflict with the economic and social overarching objectives set out in paragraph 8 of the Framework."

11.3 The Inspector went on to place very substantial weight on the delivery of the proposed affordable housing at the site, stating:

"The proposed provision of 45% of total units, at 21 homes, is in excess of the policy requirements. However, given the critical situation regarding affordable housing delivery in the Borough, <u>I place very substantial positive weight on all</u>

<u>of the proposed affordable homes</u>, not just those over and above policy requirements." (my emphasis)

Overview of Secretary of State and Appeal Decisions

- 1.13 The decisions above emphasise the great weight which the Secretary of State has, on various occasions, attached to the provision of affordable housing in the consideration of planning applications. Inspectors have agreed that affordable housing is a substantial benefit in its own right. Some of the key points I would highlight from these examples are that:
 - The importance of unmet need for affordable housing being met immediately;
 - Planning Inspectors and the Secretary of State have attached very substantial weight to the provision of affordable housing; and
 - Even where there is a five-year housing land supply the benefit of a scheme's provision of affordable housing can weigh heavily in favour of development.
