ENFORCEMENT NOTICE OPERATIONAL DEVELOPMENT

Issued by: St Albans District Council

1. This Notice is issued by the council because it appears to them that there has been a breach of planning control, within paragraph (a) of section 171A(1) of the above Act, at the land described below. They consider that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations. The Annex at the end of the notice and the enclosures to which it refers contain important additional information.

2. The Land To Which The Notice Relates

131 Verulam Road, St Albans, Hertfordshire
Shown edged red on the attached plan.

3. The Matters Which Appear To Constitute The Breach Of Planning Control

It appears to the Council that the following breach of planning control has occurred within the last 4 years.

Installation of satellite dish mounted 3.5 metres above ground level on rear elevation of property.

4. Reasons For Issuing This Notice

The satellite dish by reason of its location on a Grade II Listed Building is considered to have a detrimental impact on the Listed Building and fails to preserve or enhance the Article 4 Direction conservation Area. The satellite dish is therefore detrimental to the visual amenity of the area in general and is therefore contrary to Policy 69 (General Design and Layout), Policy 72 (Extensions in Residential Areas), Policy 85 (Development in Conservation Areas) and Policy 86 (Buildings of Special Architectural or Historical Interest) of the St Albans District Local Plan Review 1994.

5. What You Are Required To Do

Remove satellite dish from the property and make good any resulting damage in matching materials.

6. Time For Compliance

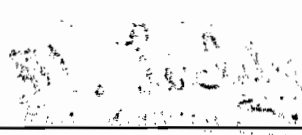

1 month after this notice takes effect.

7. When This Notice Takes Effect

This notice takes effect on 21 June 2010 unless an appeal is made against it beforehand.
